

SAARTHIQ USER MANUAL

-What is **SaarthIQ**?

It is Talent Corner's answer to the complexities of modern recruitment. We developed this platform specifically to empower our franchises by making resume management easier than ever before. SaarthIQ removes the "busy work" from the recruitment cycle, allowing for rapid access to a high-quality talent pool without the high costs of traditional management. Through SaarthIQ, we ensure that every franchise partner, regardless of location, has the technology they need to save time, reduce expenses, and deliver excellence to their clients.

-Why **SaarthIQ**?

Why SaarthIQ instead of traditional platforms? Unlike general job portals like Naukri or Indeed— which are open to everyone and often lead to high competition and "junk" applications— **SaarthIQ** is a proprietary ecosystem built exclusively for the Talent Corner network. While traditional platforms require expensive individual subscriptions and hours of manual sifting, SaarthIQ provides our franchises with a pre-curated, high-quality database. It eliminates the "cost-per-click" burden and replaces it with a streamlined, collaborative environment where resumes are already vetted and ready for placement, saving you both significant capital and recruitment time.

-Key Benefits of **SaarthIQ**:

- Zero Subscription Costs
- Rapid Resume Retrieval
- Exclusive Franchise Network Access

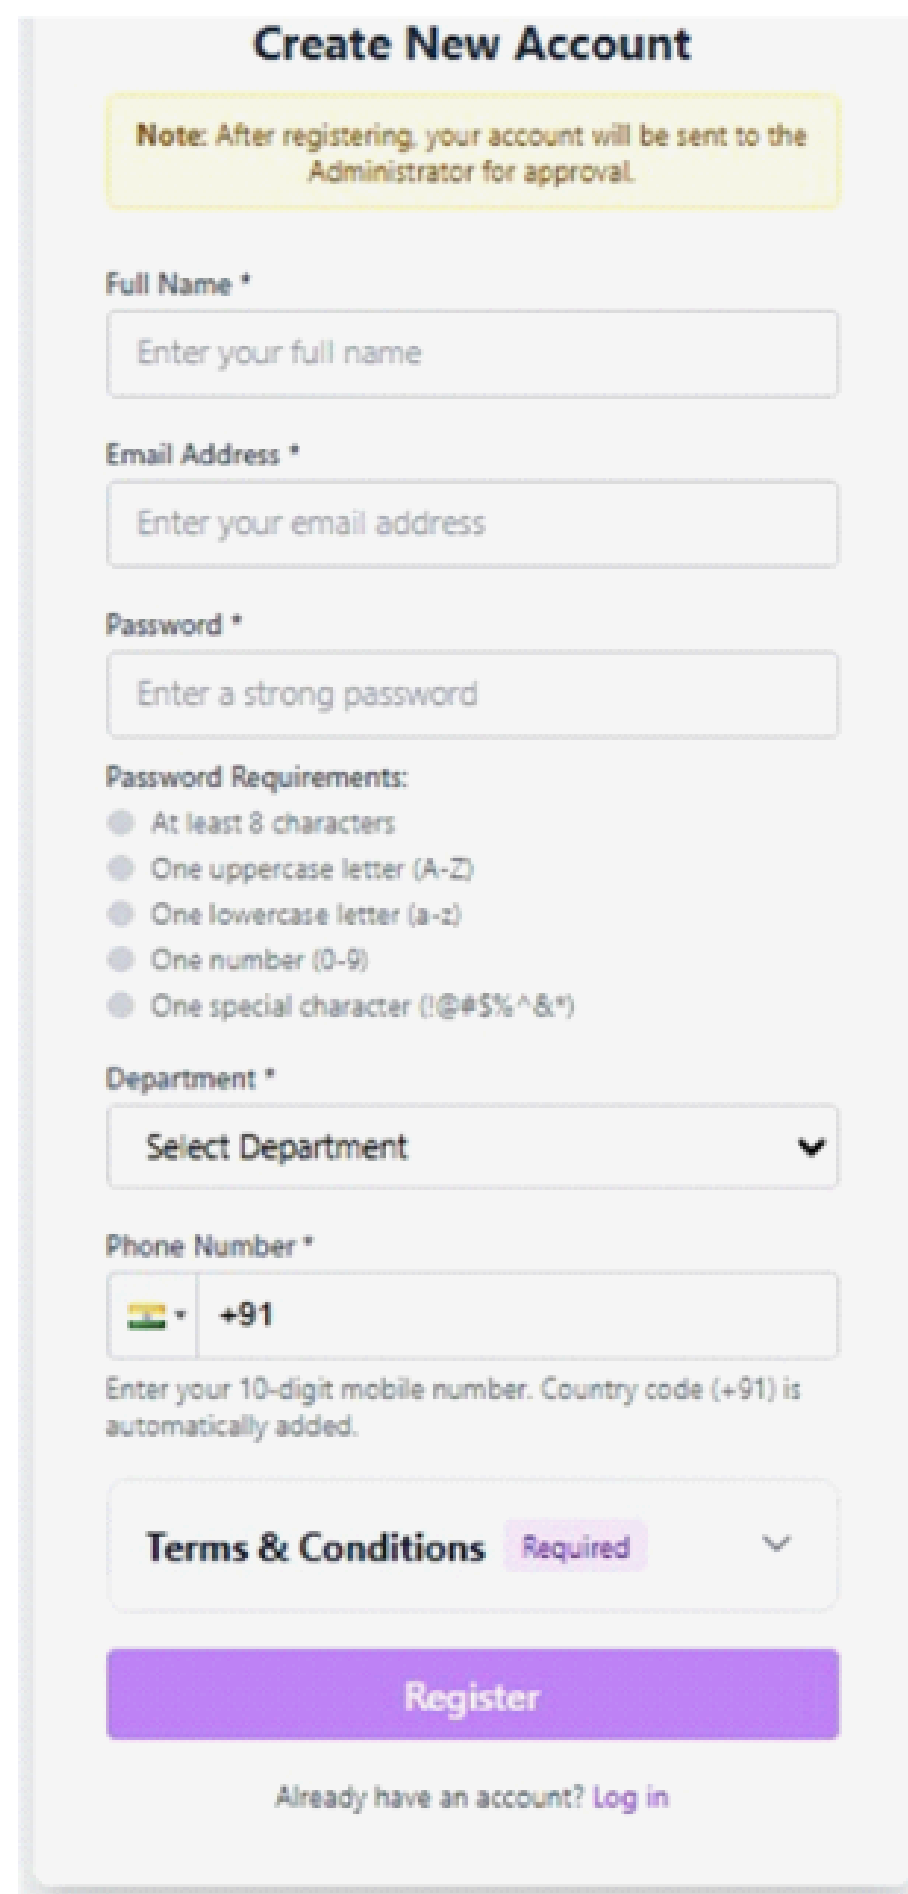

- Reduced Operational Overhead
- Paperless Management
- Increased Placement Speed
- Data Security & Privacy

Account Registration Guide:

If you're a new user you can register yourself following these steps:

Step 1: Open the Registration Page

Click on “**Register here**” from the login page to open the account creation form.

The screenshot shows a registration form titled "Create New Account". At the top, a yellow note box states: "Note: After registering, your account will be sent to the Administrator for approval." Below this, the form includes several input fields: "Full Name *" with a placeholder "Enter your full name", "Email Address *" with a placeholder "Enter your email address", and "Password *" with a placeholder "Enter a strong password". Under the password field, "Password Requirements:" are listed with radio buttons: "At least 8 characters", "One uppercase letter (A-Z)", "One lowercase letter (a-z)", "One number (0-9)", and "One special character (!@#\$%^&*)". Below these is a "Department *" dropdown menu with the text "Select Department" and a downward arrow. The "Phone Number *" section features a country code dropdown (currently showing a flag and "+91") and a text input field. Below the phone number field, a note says: "Enter your 10-digit mobile number. Country code (+91) is automatically added." At the bottom of the form is a "Terms & Conditions" dropdown menu with the text "Required" and a downward arrow. A large purple "Register" button is positioned below the terms and conditions. At the very bottom, there is a link: "Already have an account? [Log in](#)".

This page will open after clicking on “**Register here**”.

Step 2: Read the Important Note

At the top, you will see a note:

After registering, your account will be sent to the Administrator for approval.

This means you must wait for admin approval before you can log in.

Step 3: Enter Your Full Name

- Click on **Full Name**.
- Enter your complete name.

Example: Rahul Sharma

Step 4: Enter Your Email Address

- Click on **Email Address**.
- Enter your valid email ID.

Example: sharmarahul@gmail.com

Step 5: Create a Password

- Click on **Password**.
- Type a strong password that meets all given requirements.

Password Requirements:

- ✓ At least 8 characters
- ✓ One uppercase letter (A-Z)
- ✓ One lowercase letter (a-z)
- ✓ One number (0-9)
- ✓ One special character (@#\$%^&*)

All bullet points must turn active/green when the password is valid.

Step 6: Select Your Department

- Click the **Select Department** dropdown.
- Choose the appropriate department from the list.

Step 7: Enter Your Phone Number

- By default, country code +91 is added.
- Enter your **10-digit mobile number**.

Example: 9876543210

Step 8: Read the Terms & Conditions

- Expand the Terms and Conditions section.
- Read carefully before completing registration.
- Click on “ **I have read and agree to the Terms and Conditions above**” .

Refresh security check

Terms and Conditions

By registering for an account, you agree to the following terms:

- 1. Account Usage:** You agree to use this service only for legitimate business purposes.
- 2. Data Accuracy:** You confirm that all information provided is accurate.
- 3. Approval Process:** Your account requires administrator approval.
- 4. Account Security:** You are responsible for maintaining password confidentiality.
- 5. Acceptable Use:** You agree not to use the

☐ I have read and agree to the Terms and Conditions above

Already have an account? [Log in](#)

Step 10: Click on “ Register”

- Once all fields are filled and verified.
- Click the **Register** button (purple).

Your account request will now be sent for admin approval.

Login Page – Step-by-Step Guide:

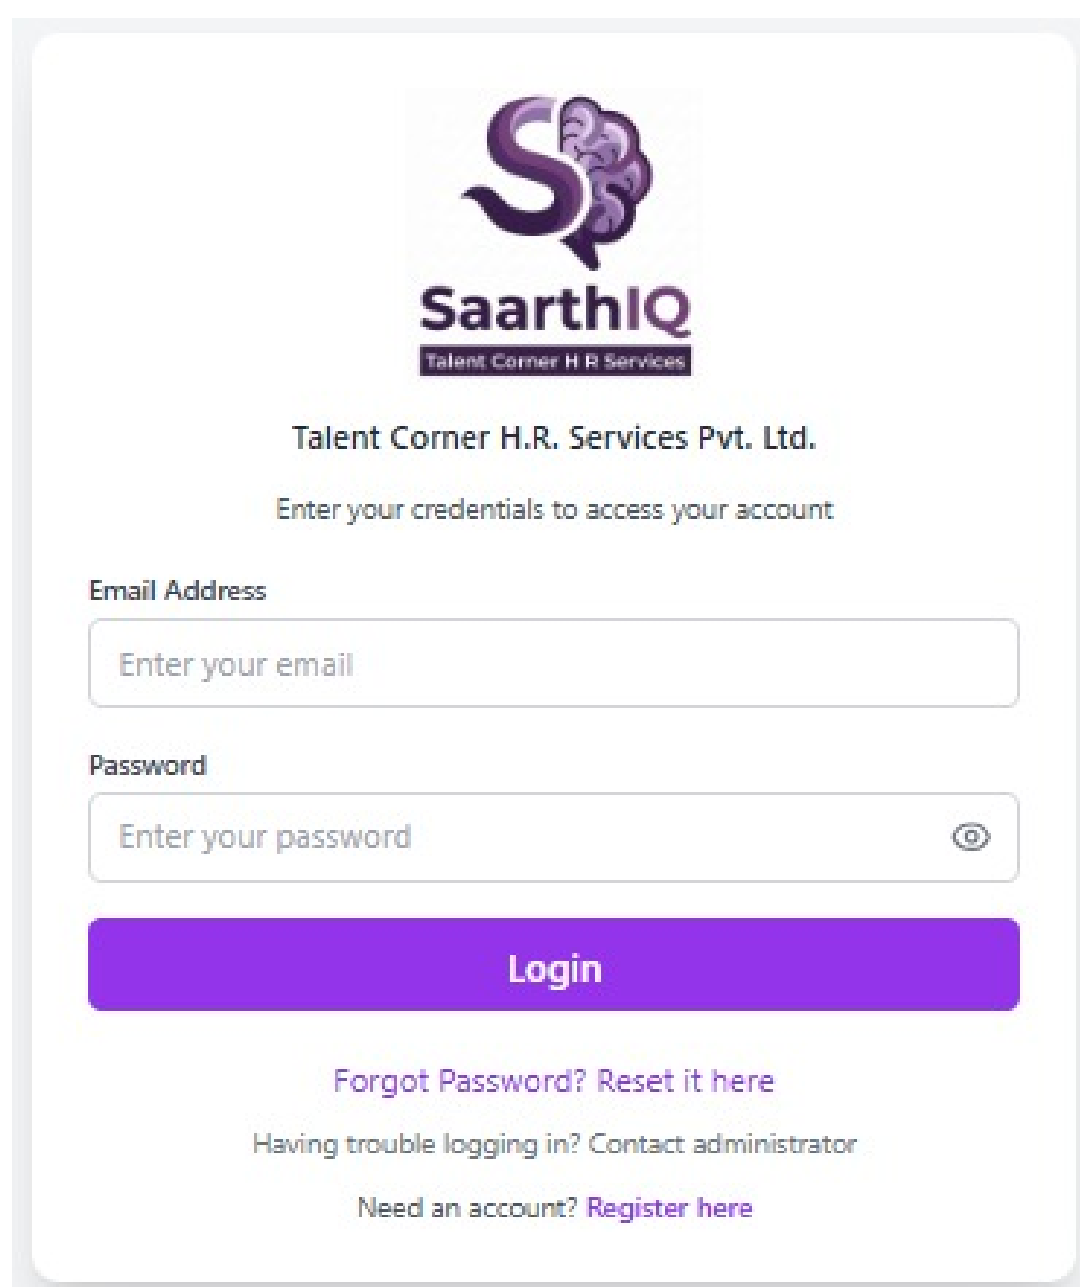

The login page is where registered users can securely access their SaarthIQ account.

Follow these steps:-

Step 1: Open the Login Page

Open the SaarthIQ login page in your browser by visiting www.saarthiq.in.

You will see the SaarthIQ logo and **Talent Corner H.R. Services Pvt. Ltd.** at the top.

A screenshot of the SaarthIQ login page. At the top center is the SaarthIQ logo, which consists of a stylized purple 'S' with a brain-like shape inside, followed by the text 'SaarthIQ' and 'Talent Corner H.R. Services' in a smaller font. Below the logo, the text 'Talent Corner H.R. Services Pvt. Ltd.' is displayed. Underneath that is the instruction 'Enter your credentials to access your account'. There are two input fields: 'Email Address' with a placeholder 'Enter your email' and 'Password' with a placeholder 'Enter your password' and an eye icon for toggling visibility. A purple 'Login' button is positioned below the password field. At the bottom, there are three links: 'Forgot Password? Reset it here', 'Having trouble logging in? Contact administrator', and 'Need an account? Register here'.

Step 2: Enter Your Email Address

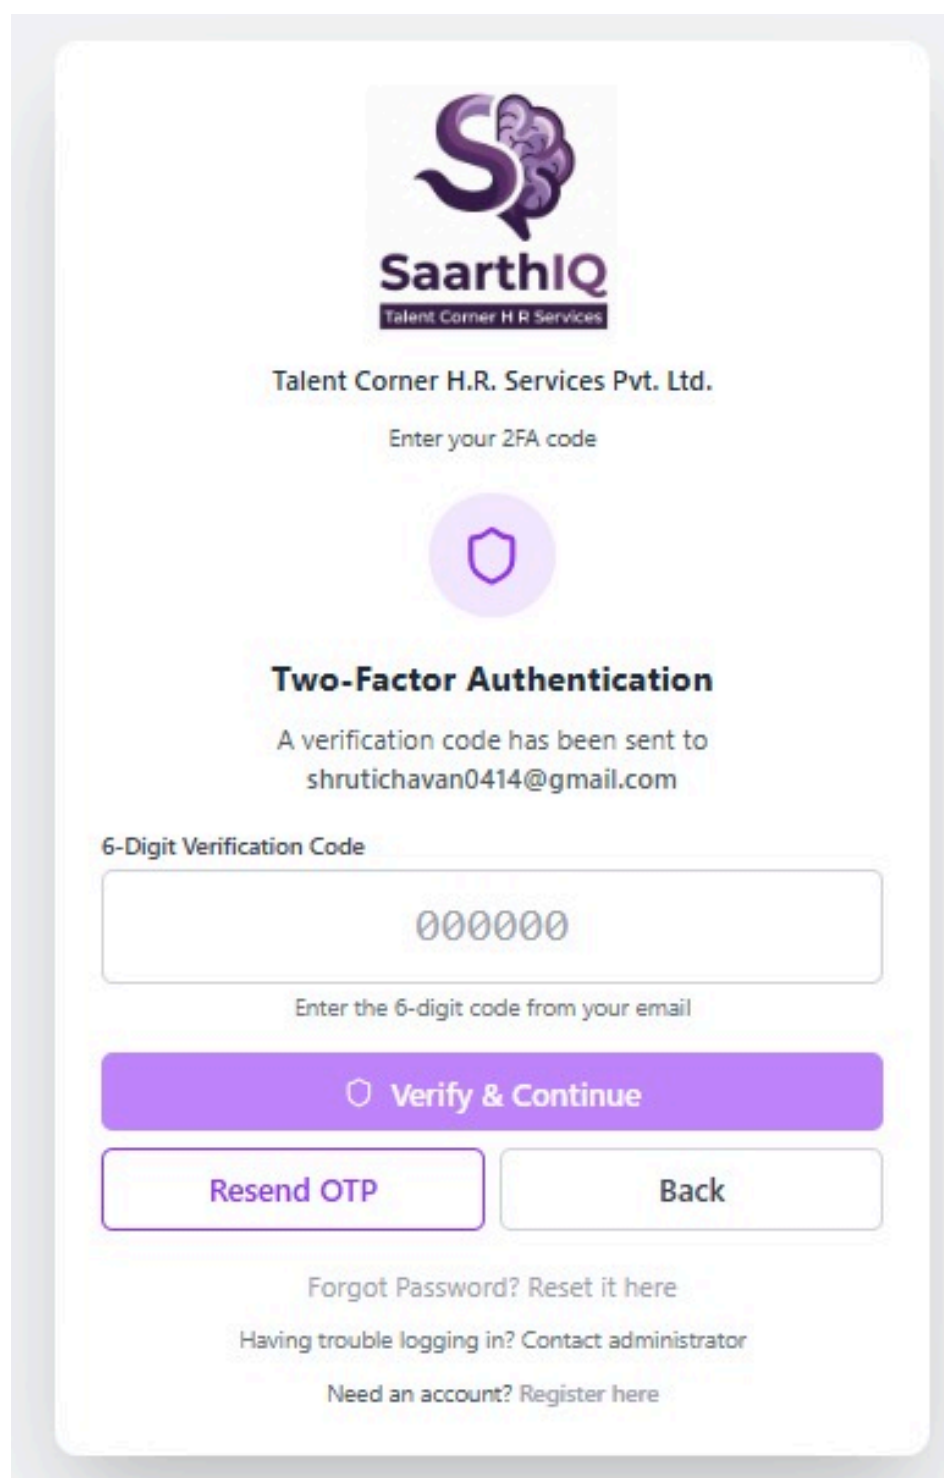

- Click on the **Email Address** field.
- Type in your registered email ID.

Example: yourname@example.com

Step 3: Enter Your Password

- Click on the **Password** field.
- Type/Create your account password.
- You can click the **eye icon** to show/hide the password if needed.

After entering your email and password on the login page, you will be taken to the Two-Factor Authentication screen. This adds an extra layer of security to your account.

The image shows a mobile application screen for Two-Factor Authentication. At the top is the SaarthIQ logo with the tagline 'Talent Corner H.R. Services'. Below the logo, it says 'Talent Corner H.R. Services Pvt. Ltd.' and 'Enter your 2FA code'. There is a purple shield icon. The title 'Two-Factor Authentication' is followed by the message 'A verification code has been sent to shrutichavan0414@gmail.com'. A text input field labeled '6-Digit Verification Code' contains '000000'. Below the field is the instruction 'Enter the 6-digit code from your email'. There are three buttons: a purple 'Verify & Continue' button, a purple 'Resend OTP' button, and a white 'Back' button. At the bottom, there are three links: 'Forgot Password? Reset it here', 'Having trouble logging in? Contact administrator', and 'Need an account? Register here'.

Step 1: Check Your Email

A 6-digit verification code (OTP) will be sent to your registered email address.

 **Note:** The OTP is valid for **24 hours**.

Step 2: Enter the 6-Digit Code

- Click on the 6-Digit Verification Code box.
- Type the code exactly as received in your email.

Step3: Click on “ Verify&Continue”

Once the code is entered correctly:

- Click the **Verify&Continue** button (purple).

If the code is valid, you will be successfully logged into your account.

If You Didn't Receive the Code

You can request a new one by clicking:

- **Resend OTP**

A fresh OTP will be sent to your email.

Step4: Click on “ Login”

- After filling in your details and security check is complete
- Click the **Login** button (purple button).

If your credentials are correct, you will be redirected to your dashboard.

The screenshot displays the SaarthIQ dashboard interface. On the left is a sidebar with the SaarthIQ logo and navigation links: Dashboard, Advanced Filters (with a sub-menu for BD, Recruitment, and Franchise), Reports, and Manage Users. At the bottom of the sidebar is a red 'Logout' button. The main content area has a top header with a 'Hello' greeting, a user profile icon labeled '1 Active', and notification and settings icons. Below the header are two large white cards: 'TOTAL PROFILES' showing '8,046' and 'TOTAL FILES UPLOADED' showing '1'. To the right is a 'Quick File Upload' section with a dashed box for file selection and a green success message: 'Successfully uploaded 1 file(s). 8046 new profiles added.' Below these is an 'Uploaded Datasets' section featuring a search bar and a table with the following data:

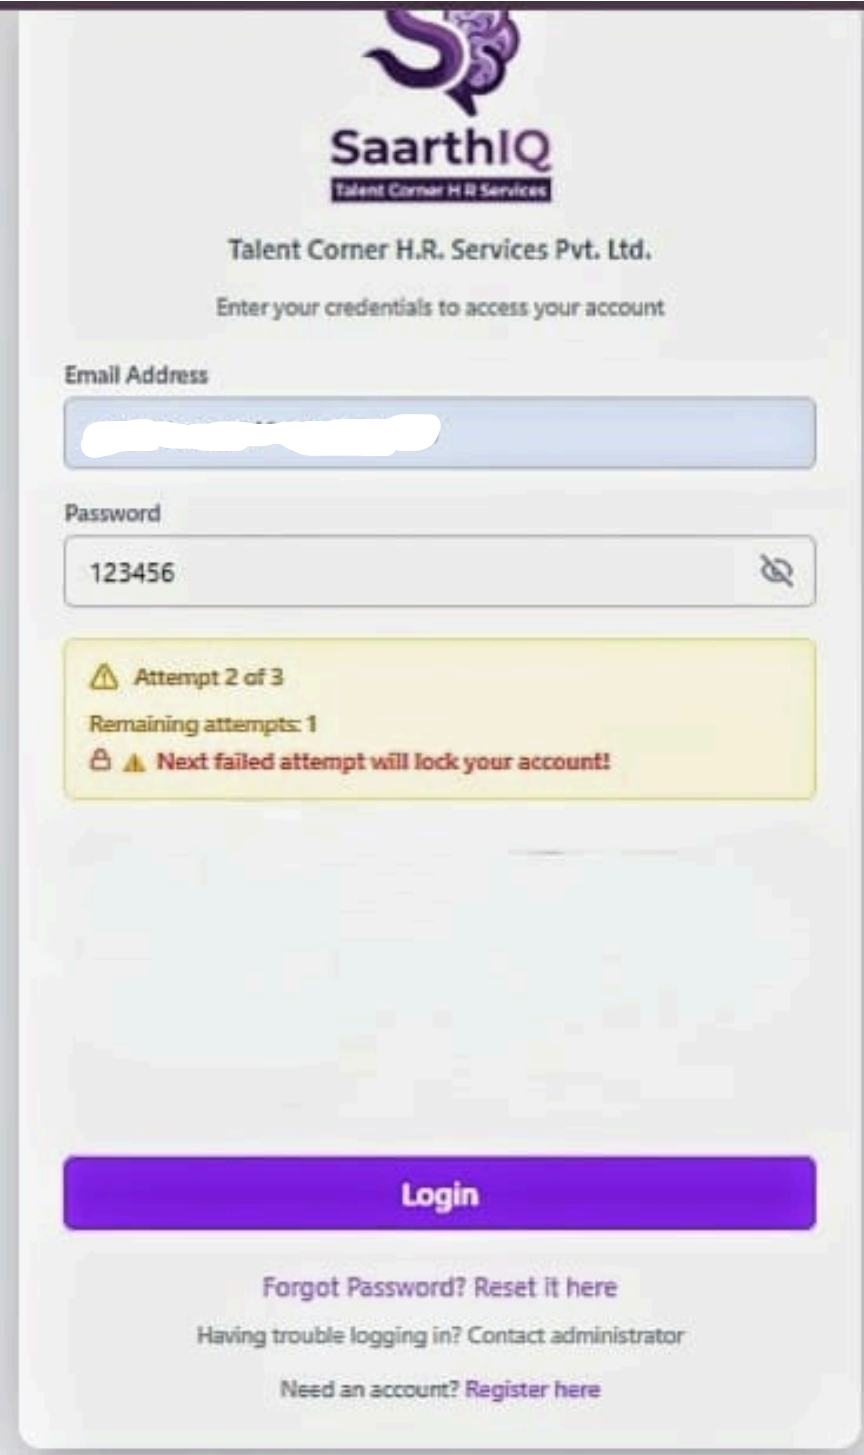

NAME	SIZE	LAST MODIFIED	UPLOADED BY
Application_Batch_100001-110000.xlsx	1.24 MB	16 Jan 2026, 10:32 am	Sneha Aili

Handling Incorrect Login Attempts:

If a user enters a wrong password, the system will display a warning and limit the number of login attempts for security reasons.

1. Attempt Warning

- When a wrong password is entered, the system shows a message indicating the number of attempts used.
- Users get **3 total attempts** to log in correctly.
- After each incorrect entry, the system displays:
 - Current attempt count (e.g., *Attempt 2 of 3*)
 - Remaining attempts
 - A warning stating that the next failed attempt may lock the account.

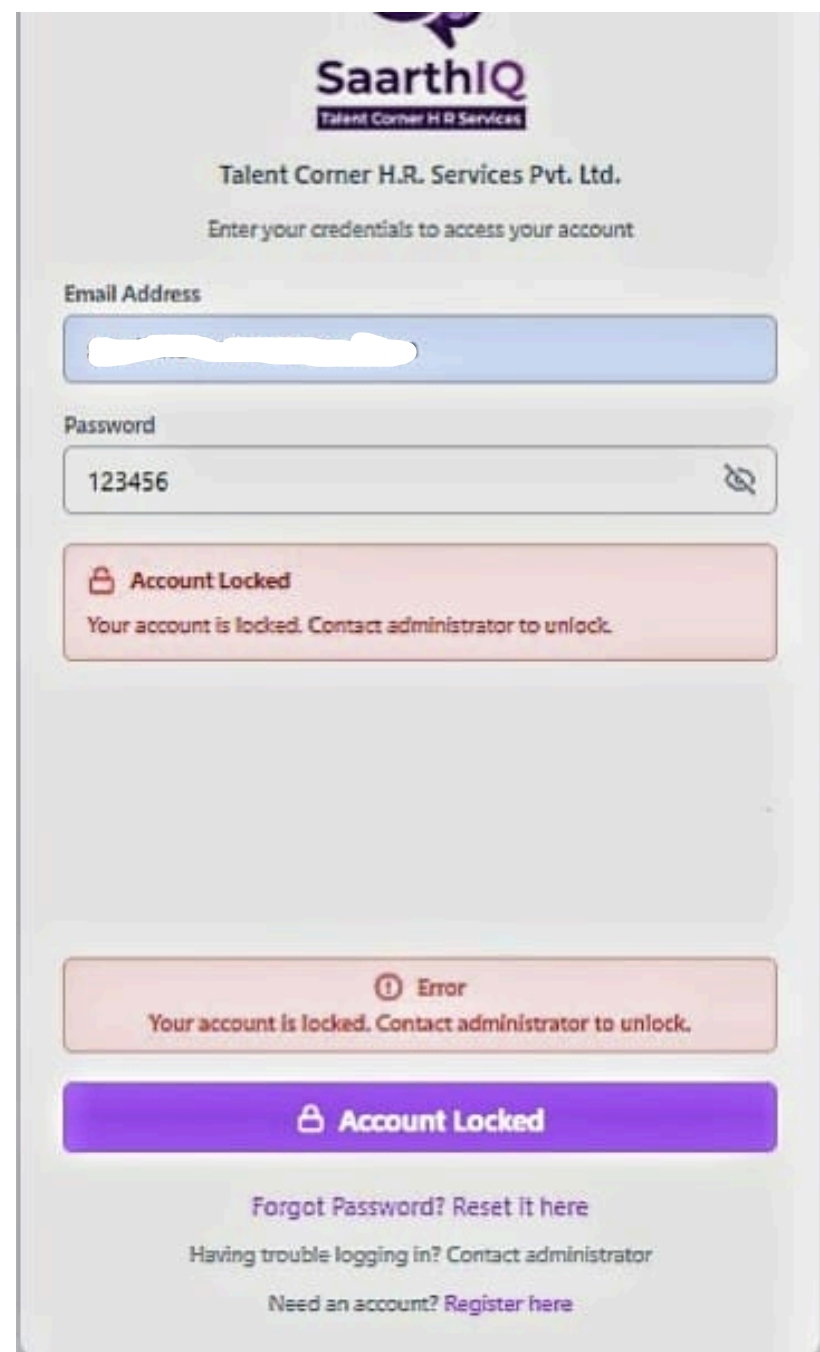

The screenshot displays the login interface for SaarthIQ, Talent Corner H.R. Services Pvt. Ltd. It includes fields for Email Address and Password. A yellow warning box indicates 'Attempt 2 of 3' and 'Remaining attempts: 1', with a red alert stating 'Next failed attempt will lock your account!!'. Below the fields is a blue 'Login' button and links for 'Forgot Password? Reset it here', 'Having trouble logging in? Contact administrator', and 'Need an account? Register here'.

2. Account Lock

If the user enters the wrong password **3 times**, the system automatically locks the account for security.

- The login button changes to **Account Locked**
- A red alert message appears stating:
 - “ **Your account is locked. Contact administrator to unlock.**”

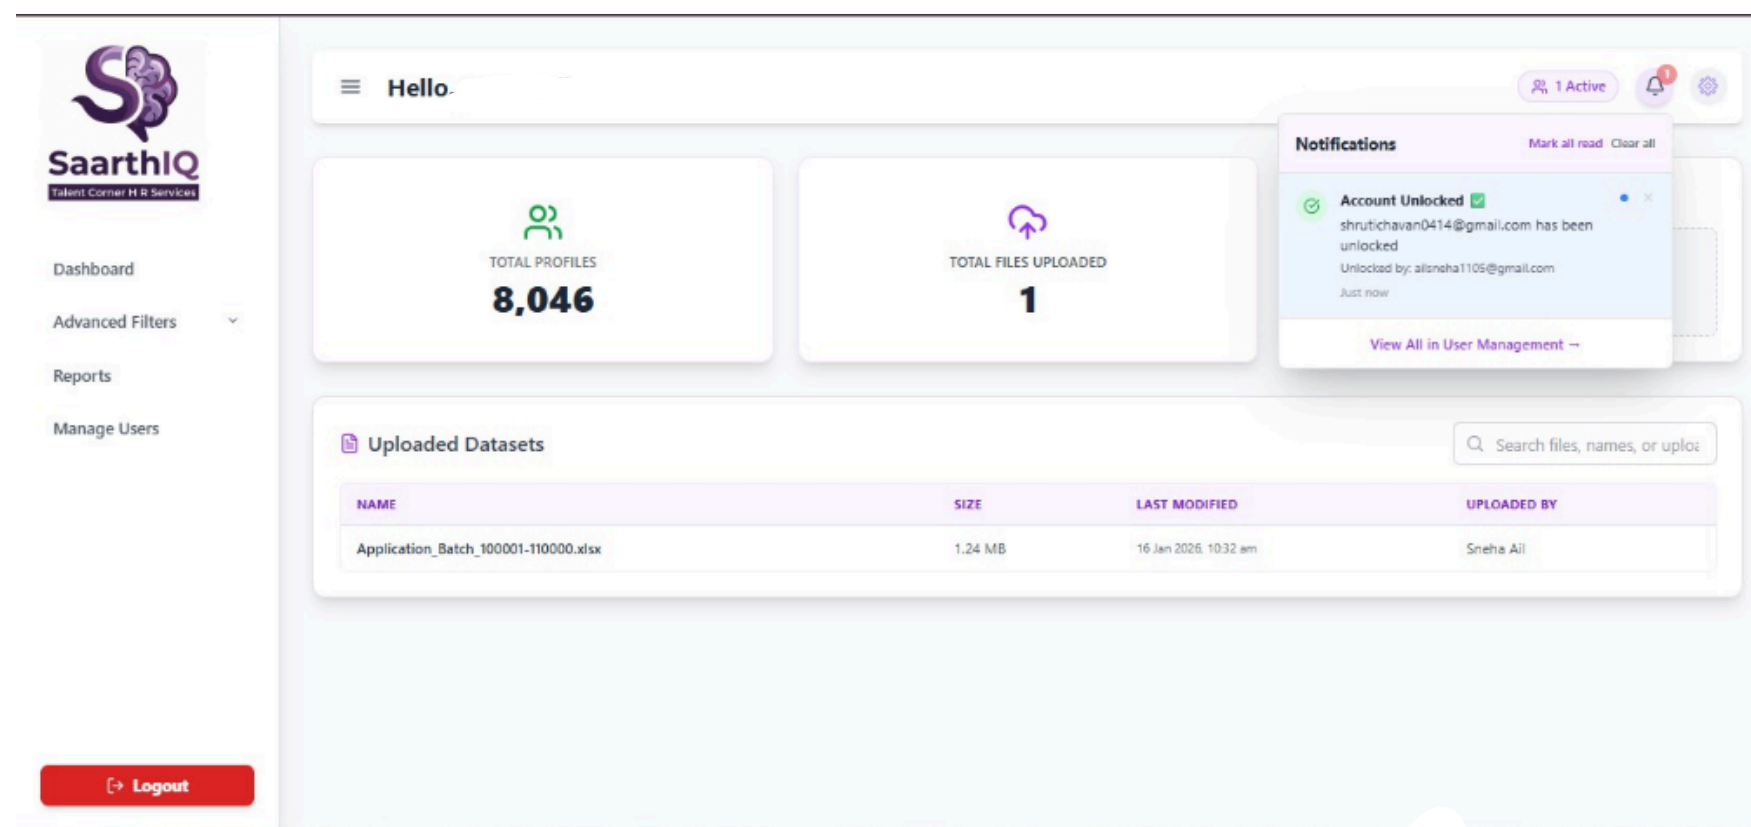

3. Unlocking Locked Accounts

If the account gets locked, the user cannot reset it themselves. To regain access:

- Contact the **Admin** or **System Administrator**.
- Request account reactivation.
- Admin will unlock or block the account.

The admin gets this alert and will choose to unlock or block your account permanently.

Important Notes

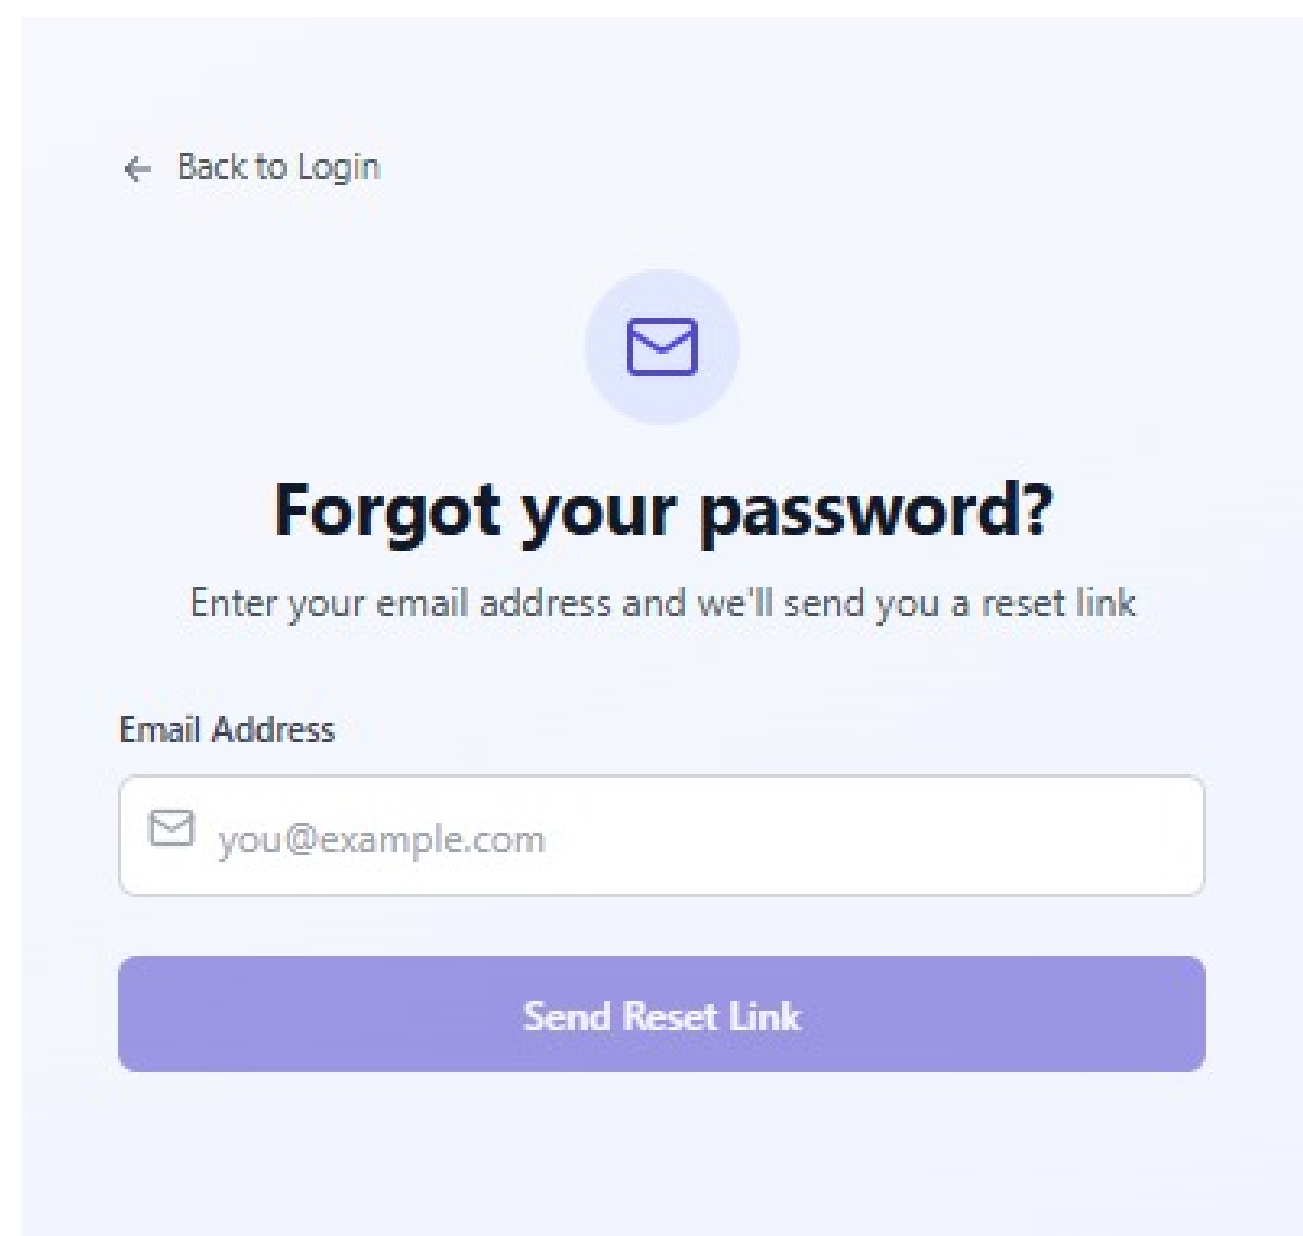

- This security feature prevents unauthorized access.
- Always check the password before attempting login.
- Use the **Forgot Password? Reset it here** option if you genuinely forgot your credentials to avoid account lock.

Forgot Password Guide:

If you forgot your password, you can reset it by following these steps:

Step 1: Open the Forgot Password Page

From the login screen, click on “ **Forgot Password? Reset it here**” . This will take you to the password recovery page.

← Back to Login

Forgot your password?

Enter your email address and we'll send you a reset link

Email Address

 you@example.com

Send Reset Link

Step 2: Enter Your Registered Email

- Click on the **Email Address** field.
- Type the email that you used during registration.

Example: you@example.com

Make sure the email is correct, otherwise the reset link will not reach you.

Step 3: Click on “ **Send Reset Link**”

- Once verification is complete.
- Click the **Send Reset Link** button (purple).

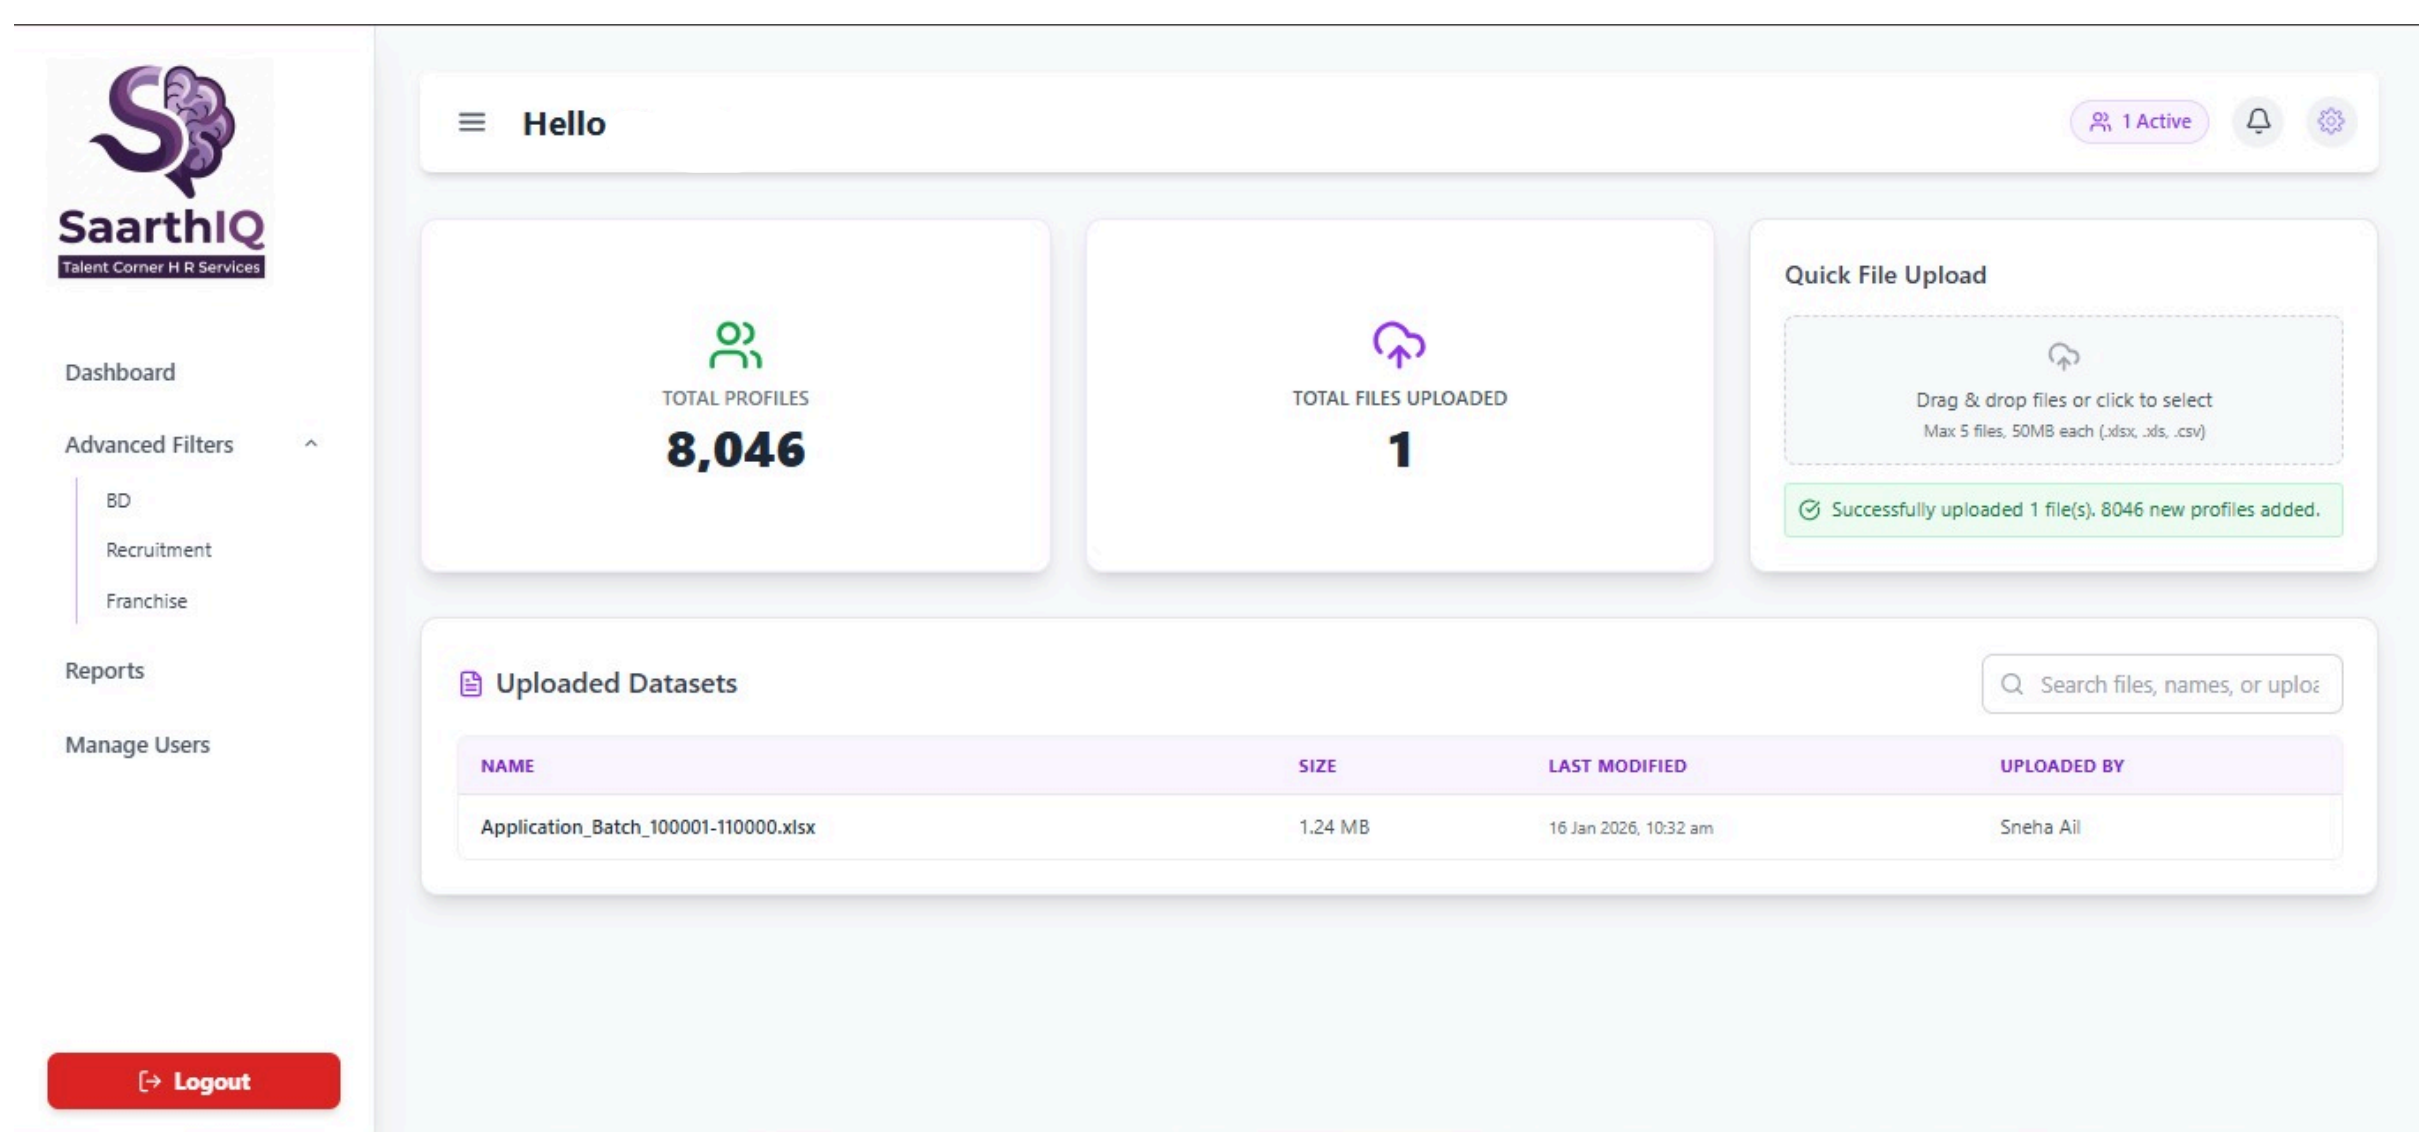

A reset link will be emailed to your registered email address.

Step 5: Check Your Email

- Open your inbox.
- Look for an email from SaarthIQ or Talent Corner.
- Click the link sent to set a new password.

ACCESSING WEBSITE:

After your account is approved by the admin and you log in or register, you will land on the Dashboard. This is the main page for all users, regardless of their role.

What You See on the Dashboard:

- A personalized greeting with your name
- Total number of profiles available in the system
- Total number of files you have uploaded
- A section to upload datasets or resumes
- A list of previously uploaded datasets
- Navigation menu for filters, reports and user management

Uploading Files/ Resumes:

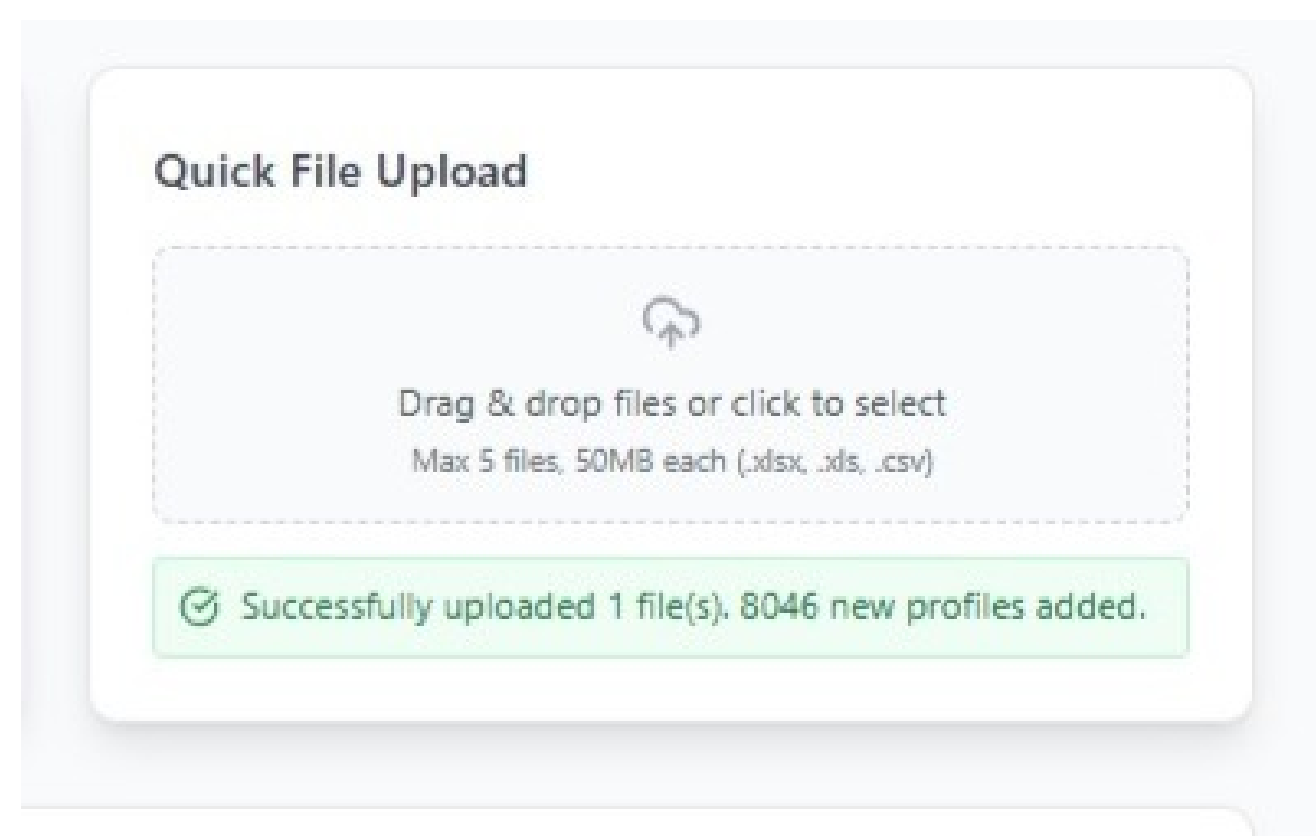

If you wish to upload resumes or any data files, follow the steps below:

Step-by-Step File Upload Process:

1. Go to the **Quick File Upload** box on the right side of the dashboard.
2. Click inside the upload box or **drag & drop or browse** your file in it.
3. The system supports a maximum of **5 files per user**.
4. Supported formats:
 - o .xlsx
 - o .xls
 - o .CSV
5. Maximum file size allowed:
 - o **50MB per file**
6. After upload, the system will process your dataset and add profiles automatically and it will be visible in the “ **uploaded datasets**” area.

Upload Confirmation

Once your file is successfully uploaded, you will see a confirmation message similar to the example image given below.

This confirms:

- Number of files successfully uploaded

- Number of profiles extracted and added

Make sure not to exceed the **5filelimit**. If the limit is reached, delete an old file to upload a new one.

Business Development (BD) Member – Advanced Filtering Guide

Once a BD member logs in through the registered user panel, they gain access to the **Advanced Profile Filtering System**. This tool helps BD users search, shortlist, and export relevant candidate data based on specific requirements.

Step-by-Step Filtering Process:

Step 1 – Open the Advanced Filter

1. On the left panel, click **Advanced Filters**.
2. Choose the **BD** option.
3. You will now see the **Advanced Profile Filter (Business Development)** screen.

Step 2 – Select Industry (Field of Work)

This field is **mandatory**

1. Click on the dropdown under **Industry (field of work)**.
2. Select the industry for which you want candidates.
 - Example: *Accounting / Auditing, IT, Marketing, Finance, etc.*

Back to Dashboard

Advanced Profile Filter (Business Development)

Industry (field of work) *

Prabhakar Ch	31	Male	Bengaluru	Accountant / Accounts Executive	3.0 Yrs	B.Com In Commerce (2014)	Rs 3.4 Lakhs	View Contact

Sorting Results:

You can sort results using **Sort by...** dropdown in the top-right.

Available sort options include:

- Experience (High to Low)
- Experience (Low to High)
- Age (High to Low)
- Age (Low to High)
- Salary (High to Low)
- Salary (Low to High)

BD members must log their interaction or progress with the candidate using the **Update Activity** section.

-BD members MUST fill the fields marked with *:

- Department *
- Status *
 - In-Progress → Evaluation or discussion ongoing
 - Cancelled → Profile not moving forward
 - Closed → Requirement fulfilled / candidate processed
 - Follow-up → Candidate requires further communication
- Candidate Location *
- Call Duration (HH:MM:SS) *

BD members must enter the call duration in:

- Hours
- Minutes
- Seconds
- Note / Remark *

BD users must write conversation notes such as:

- Outcome of the call
- Candidate interest
- Follow-up date/time
- Any relevant remarks

At the bottom of the modal, BD users can view previously logged activities.

If no activity exists, the panel will show:

“ No activities logged yet. Be the first to log an activity!”

All future interactions will build a timeline for better tracking.

The screenshot shows a modal window titled 'Geetha' with a close button. The modal is divided into two main sections: 'Update Activity' and 'Activity History'. The 'Update Activity' section contains the following fields:

- Department ***: A dropdown menu with 'Business Development (BD)' selected.
- Status ***: Three buttons: 'In-Progress' (highlighted in blue), 'Cancelled', and 'Closed'. Below these is a 'Follow-up' button.
- Candidate Location ***: A dropdown menu with 'Bengaluru' selected.
- Call Duration (HH:MM:SS) ***: Three input fields for Hours, Min, and Sec, each with a '00' value.
- Note / Remark ***: A text area with the placeholder 'Enter conversation details...'.

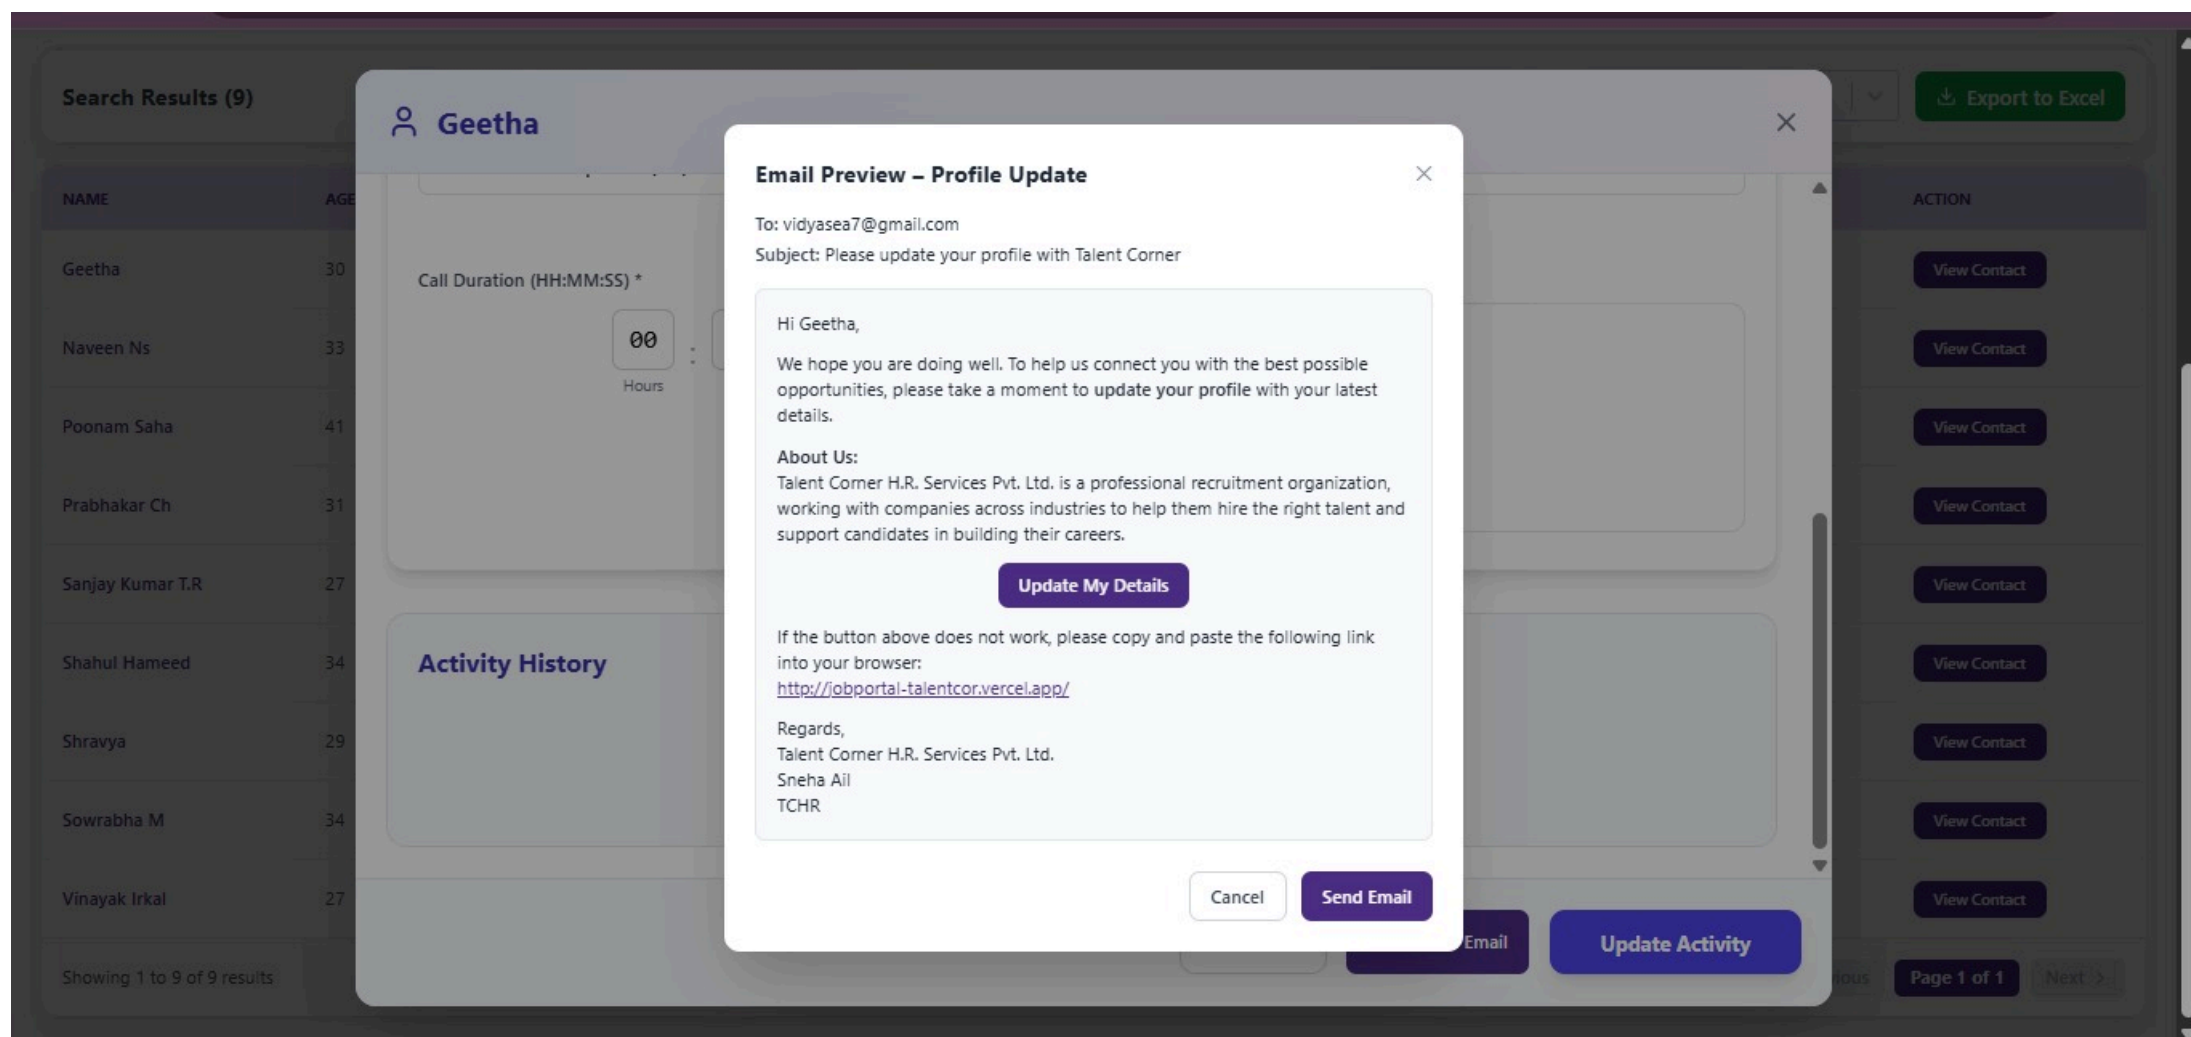

The 'Activity History' section is currently empty. At the bottom of the modal are three buttons: 'Cancel', 'Automated Email', and 'Update Activity'.

This screenshot shows the same modal window, but with the 'Follow-up' status selected under the 'Status' field. The 'Activity History' section now displays the message: 'No activities logged yet. Be the first to log an activity!'.

These fields ensure communication tracking is structured and useful for follow-ups.

3. Automated Email Feature

The BD member can also send system-generated profile update requests using **Automated Email**.

What the Automated Email Does:

- Sends a pre-written email to the candidate requesting profile updates.
- Includes a clickable button to update details through the portal.

Key Notes:

- Mandatory fields must be filled to ensure data consistency.
- Automated email helps candidates update their profile quickly.
- Activity logging helps maintain accurate follow-up cycles.
- View Contact gives BD members direct access to communication channels.

Recruitment – Advanced Filtering Guide

This feature helps Recruitment Team members filter and shortlist candidate profiles based on hiring requirements.

Step-by-Step Filtering Process:-

Step 1 – Open the Advanced Filter

- On the left panel, click Advanced Filters.
- Choose the “ Recruitment ” option.
- You will now see the Advanced Profile Filter (Recruitment) screen.

Step 1 – Select Alphabet (Mandatory)

1. Click on the Alphabet dropdown.
2. Select the starting letter of the desired candidate's name.

- Example: A, B, C, D, etc.

Step3— Select Gender (Mandatory)

1. Click on the Gender dropdown.
2. Select one of the following:
 - Both

- o Male
- o Female

The screenshot shows the 'Advanced Profile Filter (Franchise)' form. The 'Gender' dropdown menu is open, displaying three options: 'Both' (highlighted), 'Male', and 'Female'. Other filters visible include 'Alphabet' (A), 'Location' (Mumbai), 'Designation (Multi)' (All Designations), 'Age Range' (Any Age), 'Salary Range' (All Salaries), 'Industry (field of work)' (Select Industry (field of work)), and 'Experience' (Any Experience). There are 'Apply Filters' and 'Clear All' buttons at the bottom.

Step4— Select Industry (Field of Work)

1. Click on the Industry (field of work) dropdown.
2. Select the required industry for the candidate.
 - o Example: IT, Sales, Finance, Marketing, etc.

The screenshot shows the 'Advanced Profile Filter (Franchise)' form. The 'Industry (field of work)' dropdown menu is open, displaying a list of industries: 'Accounting / Auditing' (highlighted), 'Advertising & Marketing', 'Agriculture / Forestry / Fishing', 'Analytics / Kpo / Research', 'Animation & Vfx', 'Architecture / Interior Design', and 'Automobile'. Other filters visible include 'Alphabet' (A), 'Location' (Mumbai), 'Gender' (Both), 'Designation (Multi)' (All Designations), 'Age Range' (Any Age), 'Education' (All Education), 'Salary Range' (All Salaries), and 'Experience' (Any Experience). There are 'Apply Filters' and 'Clear All' buttons at the bottom.

Step5— Select Designation(s) (Multi-select Enabled)

1. Click on the Designation (Multi) dropdown.
2. Choose one or multiple desired designations based on the role.

- Example:
 - Sales Executive
 - HR Manager
 - Business Development Executive
 - Accountant
 - etc.

3. The selected designations will appear as tags in the field.

The screenshot shows the 'Advanced Profile Filter (Franchise)' form. The 'Designation (Multi)' dropdown is open, displaying a list of job titles: Accountant / Accounts Executive, Accounts Manager, C & B Management, Cfo, Chartered Accountant (Ca), Collection Executive / Officer, and Finance Executive. Other filters visible include Alphabet (A), Location (Mumbai), Gender (Both), Industry (Accounting / Auditing), Age Range (Any Age), Education (All Education), and Experience (Any Experience).

Step6— Select Age Range

1. Click on the Age Range dropdown.
2. Choose the preferred age group.
 - Example: Any Age, 18– 25, 26– 35, etc.

The screenshot shows the 'Advanced Profile Filter (Franchise)' form with the 'Age Range' dropdown open. The dropdown menu displays two options: 26-40 and 41-60. Other filters visible include Alphabet (A), Location (Mumbai), Gender (Both), Industry (Accounting / Auditing), Designation (Accountant / Accounts Executive), Education (All Education), Experience (Any Experience), and Salary Range (All Salaries). At the bottom, there are 'Apply Filters' and 'Clear All' buttons.

Step7— Select Education

1. Click on the Education dropdown.
2. Choose the required education level.
 - o Example: Graduate, Postgraduate, etc.

The screenshot shows the 'Advanced Profile Filter (Franchise)' form. The 'Education' dropdown menu is open, displaying two options: 'Post Graduated' and 'Graduated'. Other filters visible include Alphabet (A), Location (Mumbai), Gender (Both), Industry (Accounting / Auditing), Designation (Accountant / Accounts Executive), Age Range (Any Age), and Salary Range (All Salaries). The 'Experience' dropdown is set to 'Any Experience'. At the bottom are 'Apply Filters' and 'Clear All' buttons.

Step8— Select Experience

1. Click on the **Experience** dropdown.
2. Select the required experience level.
 - o Example: Any Experience, 0– 1 year, 2– 4 years, etc.

The screenshot shows the 'Advanced Profile Filter (Franchise)' form. The 'Experience' dropdown menu is open, displaying four options: '0-2 yrs', '3-5 yrs', '6-10 yrs', and '11-15 yrs'. Other filters visible include Alphabet (A), Location (Mumbai), Gender (Both), Industry (Accounting / Auditing), Designation (Accountant / Accounts Executive), Age Range (Any Age), and Salary Range (All Salaries). The 'Education' dropdown is set to 'All Education'. At the bottom are 'Apply Filters' and 'Clear All' buttons.

Step9— Select Salary Range

1. Click on the Salary (CTC) dropdown.
2. Choose the expected or offered salary range for the role.

- Example: 0– 2LPA, 2– 5LPA, 5– 10LPA, etc.

The screenshot shows the 'Advanced Profile Filter (Franchise)' interface. At the top left, there is a 'Back to Dashboard' link. The form is organized into several sections:

- Alphabet ***: A dropdown menu with 'A' selected.
- Location ***: A dropdown menu with 'Mumbai' selected.
- Gender ***: A dropdown menu with 'Both' selected.
- Industry (field of work)**: A dropdown menu with 'Accounting / Auditing' selected, featuring a clear button (x).
- Designation (Multi)**: A multi-select dropdown with 'Accountant / Accounts Executive' selected, featuring a clear button (x).
- Age Range**: A dropdown menu with 'Any Age' selected.
- Education**: A dropdown menu with 'All Education' selected.
- Experience**: A dropdown menu with 'Any Experience' selected.
- Salary Range**: A dropdown menu with 'All Salaries' selected. A list of options is visible below it: '0-3 Lakhs', '3-6 Lakhs', '6-10 Lakhs', '10-15 Lakhs', and '15-20 Lakhs'.

Step9— Apply Filters

1. After completing your selection, click **Apply Filters**.
2. The system will display matching candidate profiles below.

Optional:

To remove all filters at once, use **Clear All**.

Franchise – Advanced Filter Guide

This feature allows Franchise Team members to search, filter, and shortlist candidate profiles based on specific franchise criteria.

Step-by-Step Filtering Process (Franchise)

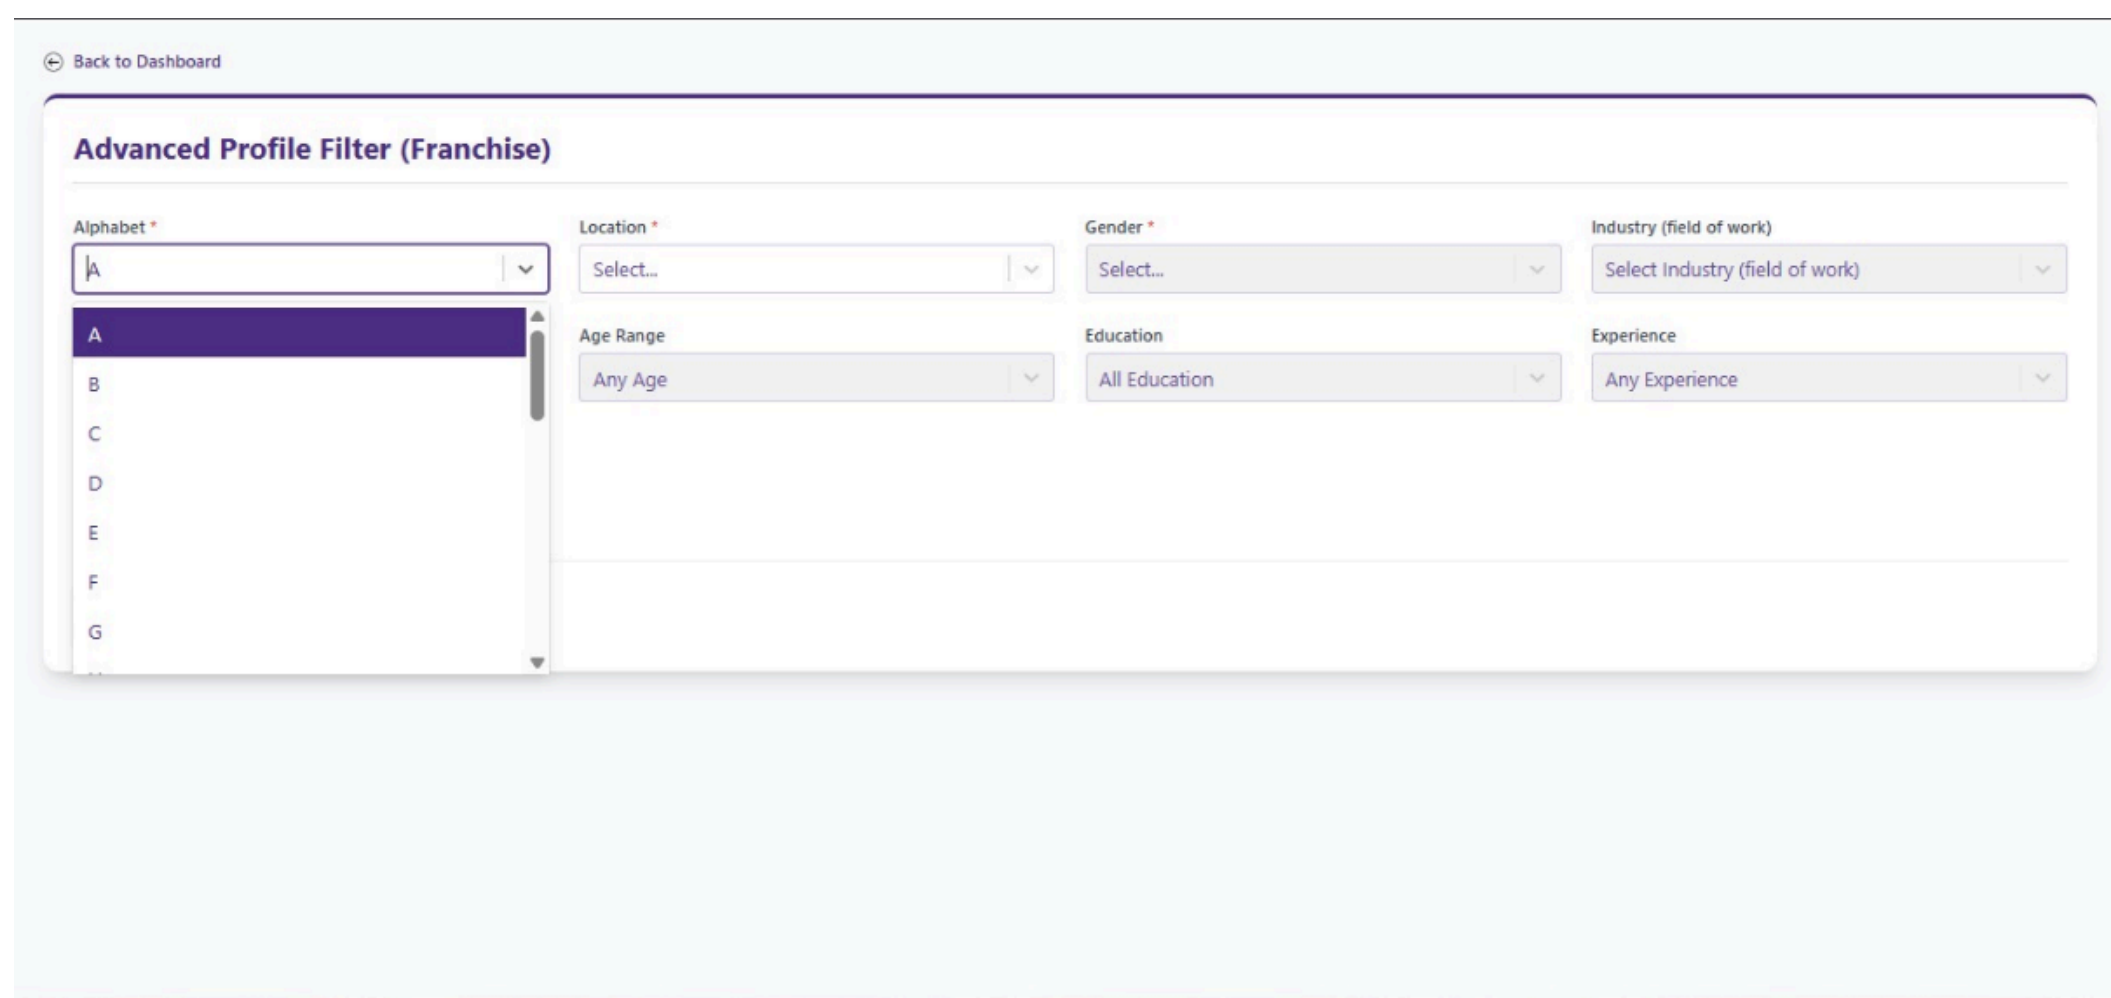

Step1— Open the Franchise Filter

- On the left panel, click Advanced Filters.
- Choose the “ Franchise ” option.
- You will now see the Advanced Profile Filter (Franchise) screen.

Step2— Select Alphabet (Mandatory)

1. Click on the Alphabet dropdown.

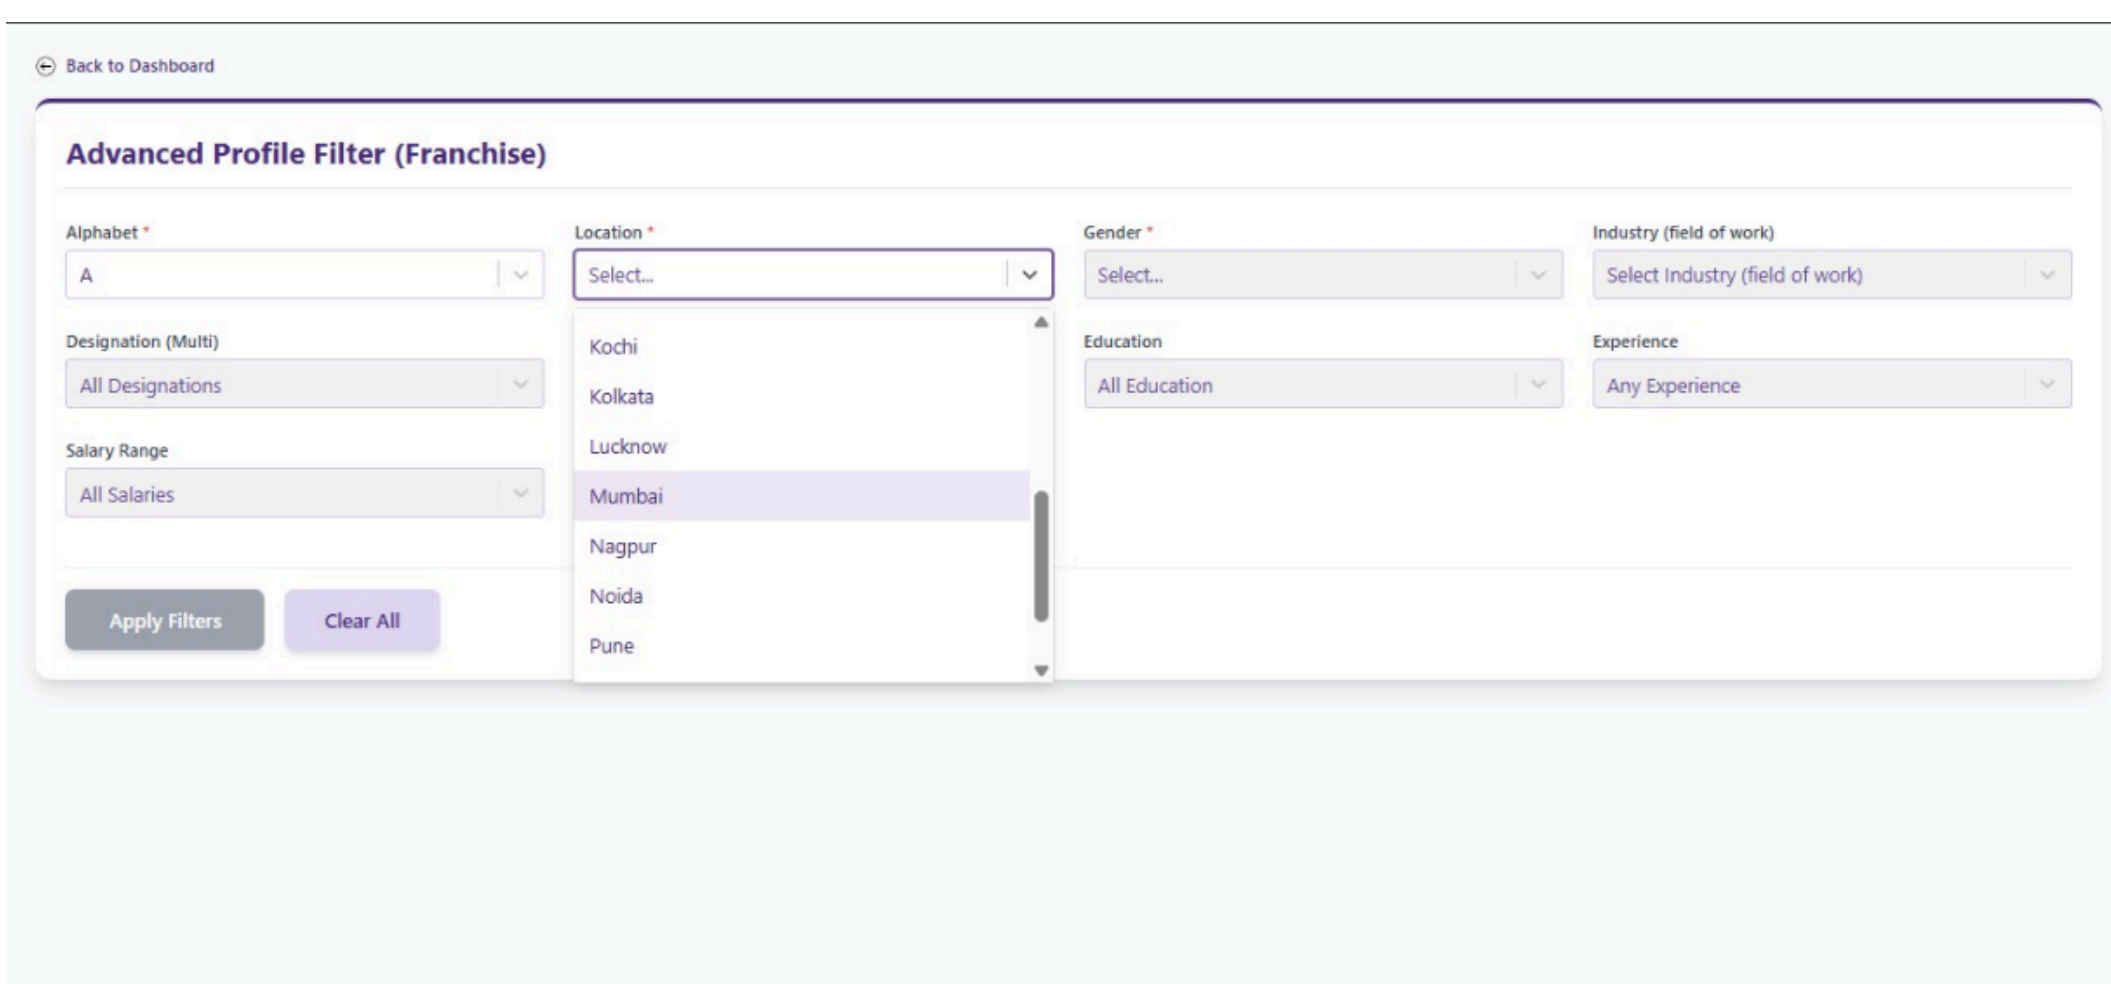

2. Select the starting letter of the candidate's name.
 - o Example: A, B, C, D, etc.

The screenshot shows the 'Advanced Profile Filter (Franchise)' form. The 'Alphabet' dropdown menu is open, displaying a list of letters from A to Z. The letter 'A' is highlighted. Other filters visible include 'Location' (Set to 'Select...'), 'Gender' (Set to 'Select...'), 'Industry (field of work)' (Set to 'Select Industry (field of work)'), 'Age Range' (Set to 'Any Age'), 'Education' (Set to 'All Education'), and 'Experience' (Set to 'Any Experience'). A 'Back to Dashboard' link is at the top left.

Step3— Select Location (Mandatory)

1. Click on the Location dropdown.
2. Select the city where the candidate should be based.
 - Example: Mumbai, Delhi, Bengaluru, etc.

The screenshot shows the 'Advanced Profile Filter (Franchise)' form. The 'Location' dropdown menu is open, displaying a list of cities: Kochi, Kolkata, Lucknow, Mumbai (highlighted), Nagpur, Noida, and Pune. Other filters visible include 'Alphabet' (Set to 'A'), 'Gender' (Set to 'Select...'), 'Industry (field of work)' (Set to 'Select Industry (field of work)'), 'Designation (Multi)' (Set to 'All Designations'), 'Salary Range' (Set to 'All Salaries'), 'Education' (Set to 'All Education'), and 'Experience' (Set to 'Any Experience'). 'Apply Filters' and 'Clear All' buttons are at the bottom left. A 'Back to Dashboard' link is at the top left.

Step4— Select Gender (Mandatory)

1. Click on the Gender dropdown.
2. Select one of the following:
 - Both

- Male
- Female

Step 11— Apply Filters

1. After completing all selections, click **Apply Filters**.
2. Matching profiles will be displayed below on the screen.

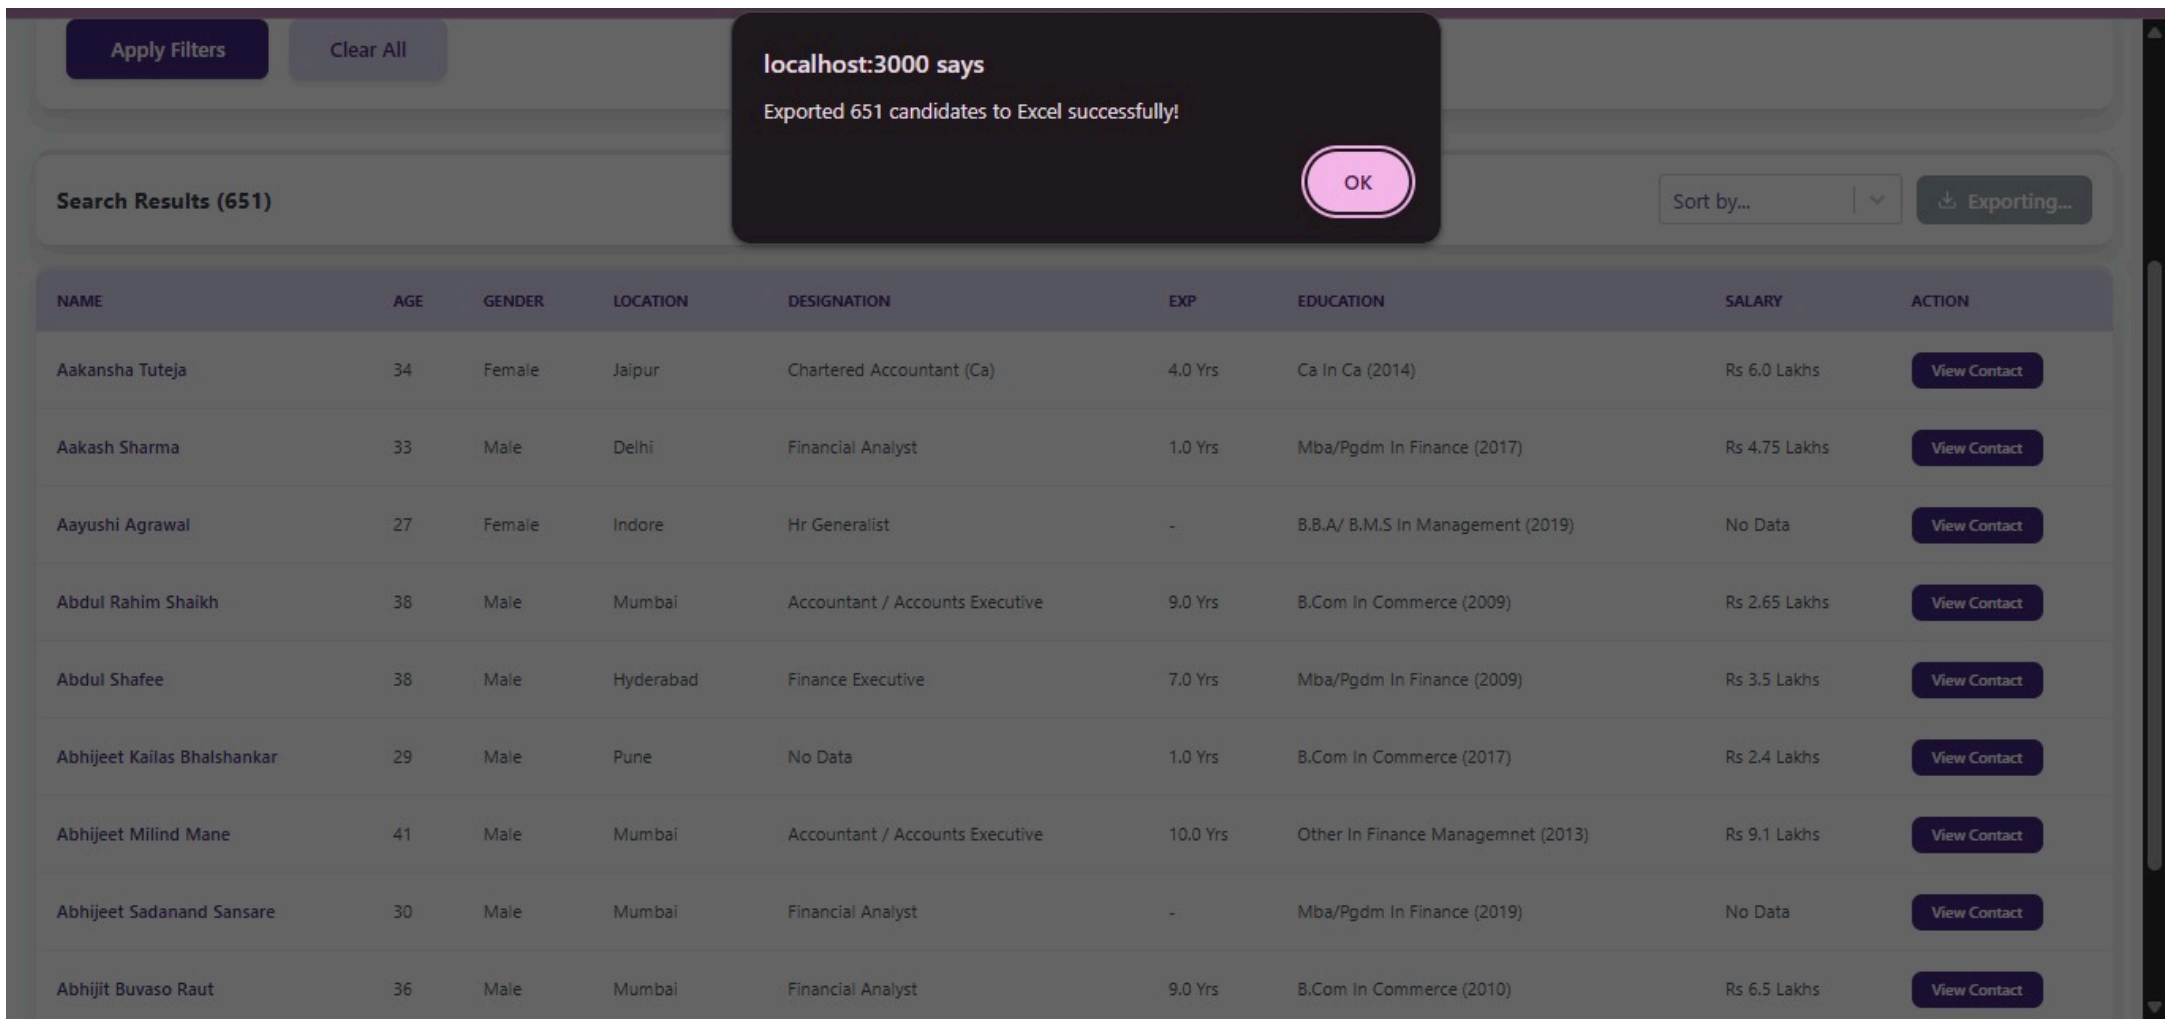

Optional:

To reset all inputs and start fresh, use **Clear All**.

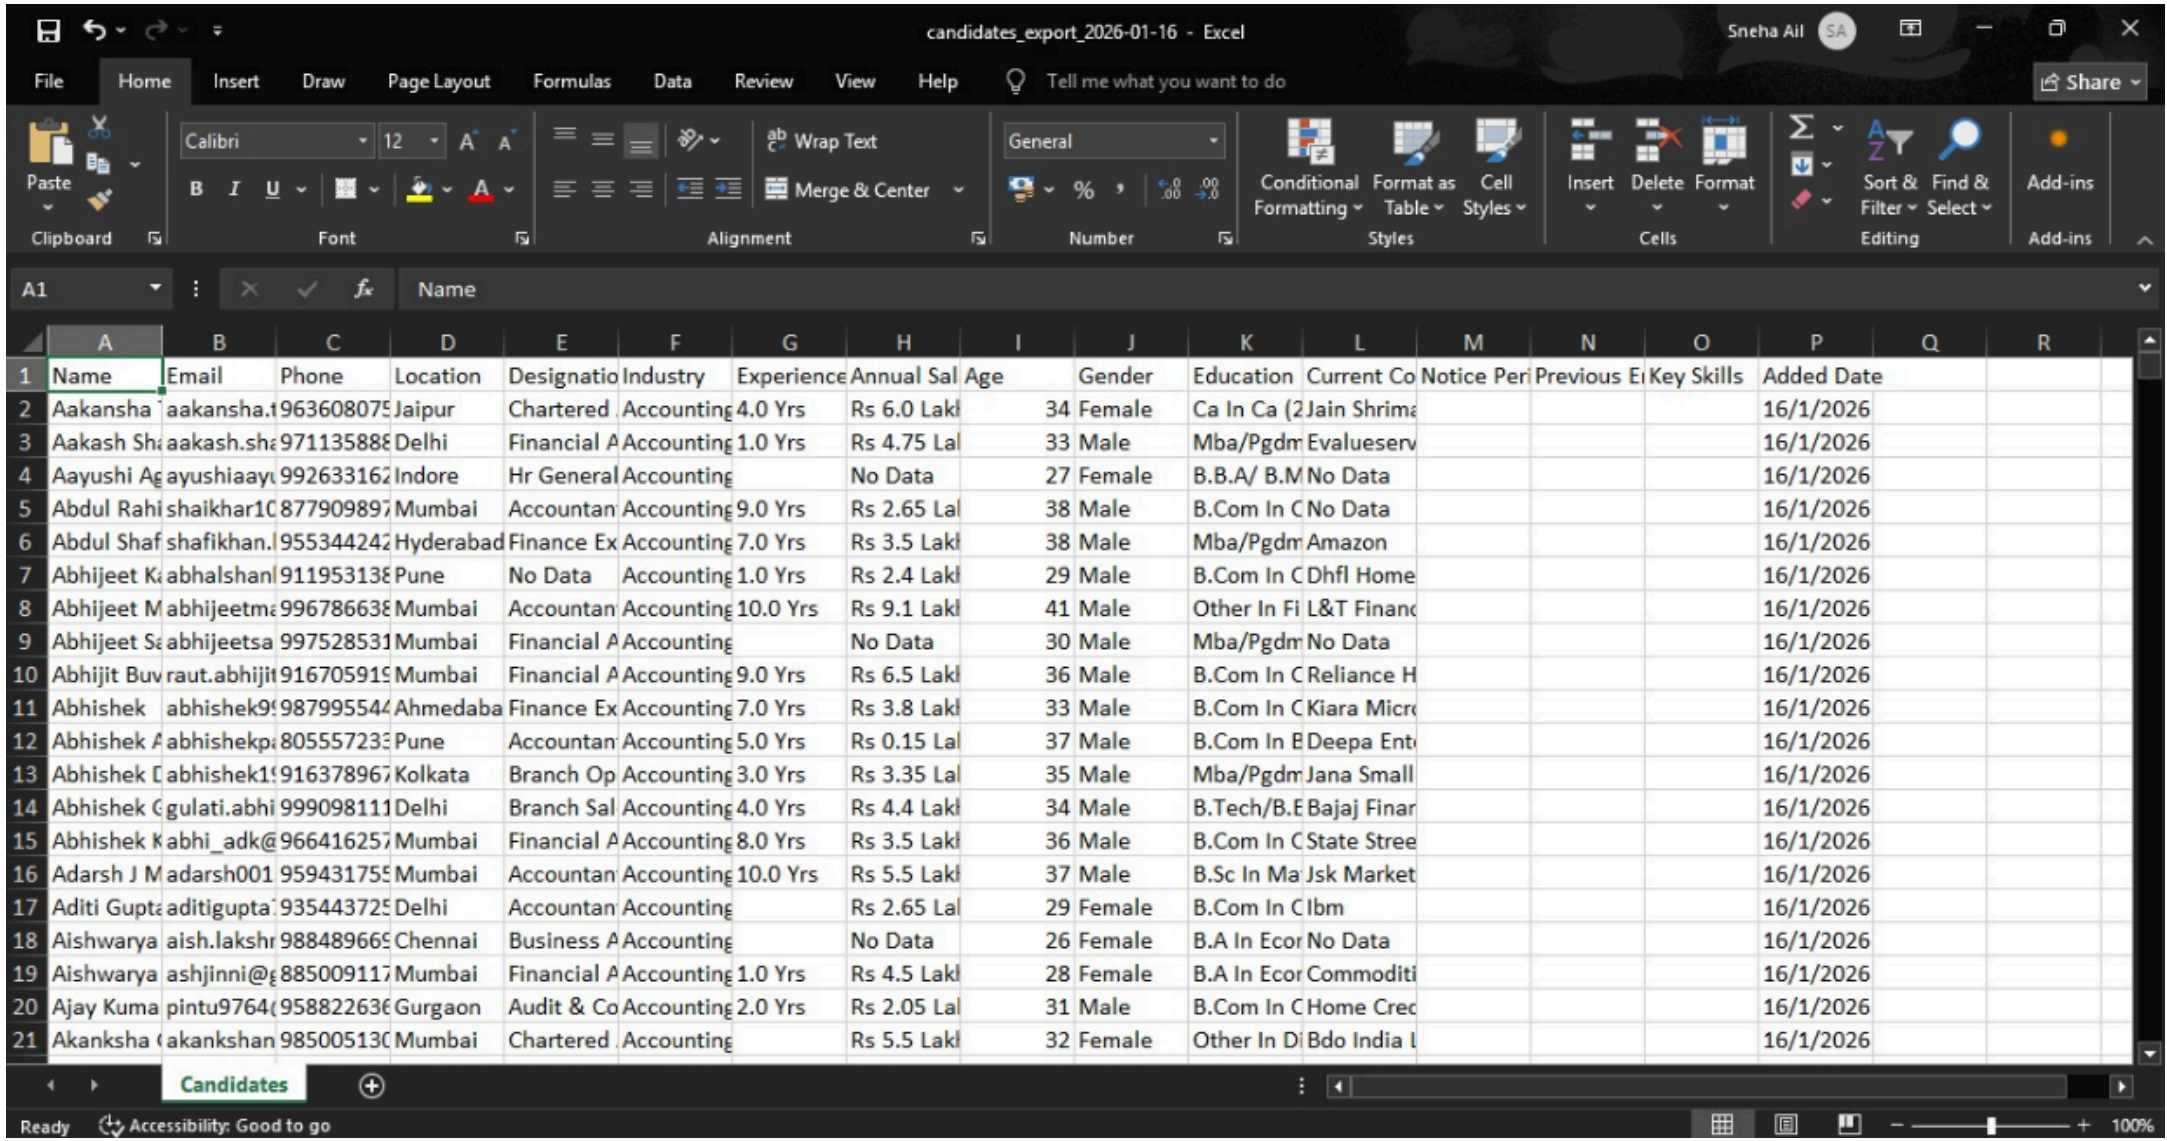

Export to Excel

On the top-right corner of the results section for every department, there is an “ **Export to excel**” button.

- Click this button to download all visible filtered profiles in Excel format.
- The exported file will include the same data as shown in the results table (Name, Age, Gender, Location, etc.)
- Once exported successfully you will see this screen:

To access the exported report, you can open excel file from downloads and it will be shown like this:

This helps users store, analyze, or share candidate data easily for review or reporting.

Reports Section

The Reports module provides the user with detailed insights on their performance activity within the system. It includes graphical comparisons, status analysis, call summaries, location data, and email logs. Reports can also be exported for record-keeping or review.

After logging in, navigate to **Reports** from the main dashboard.

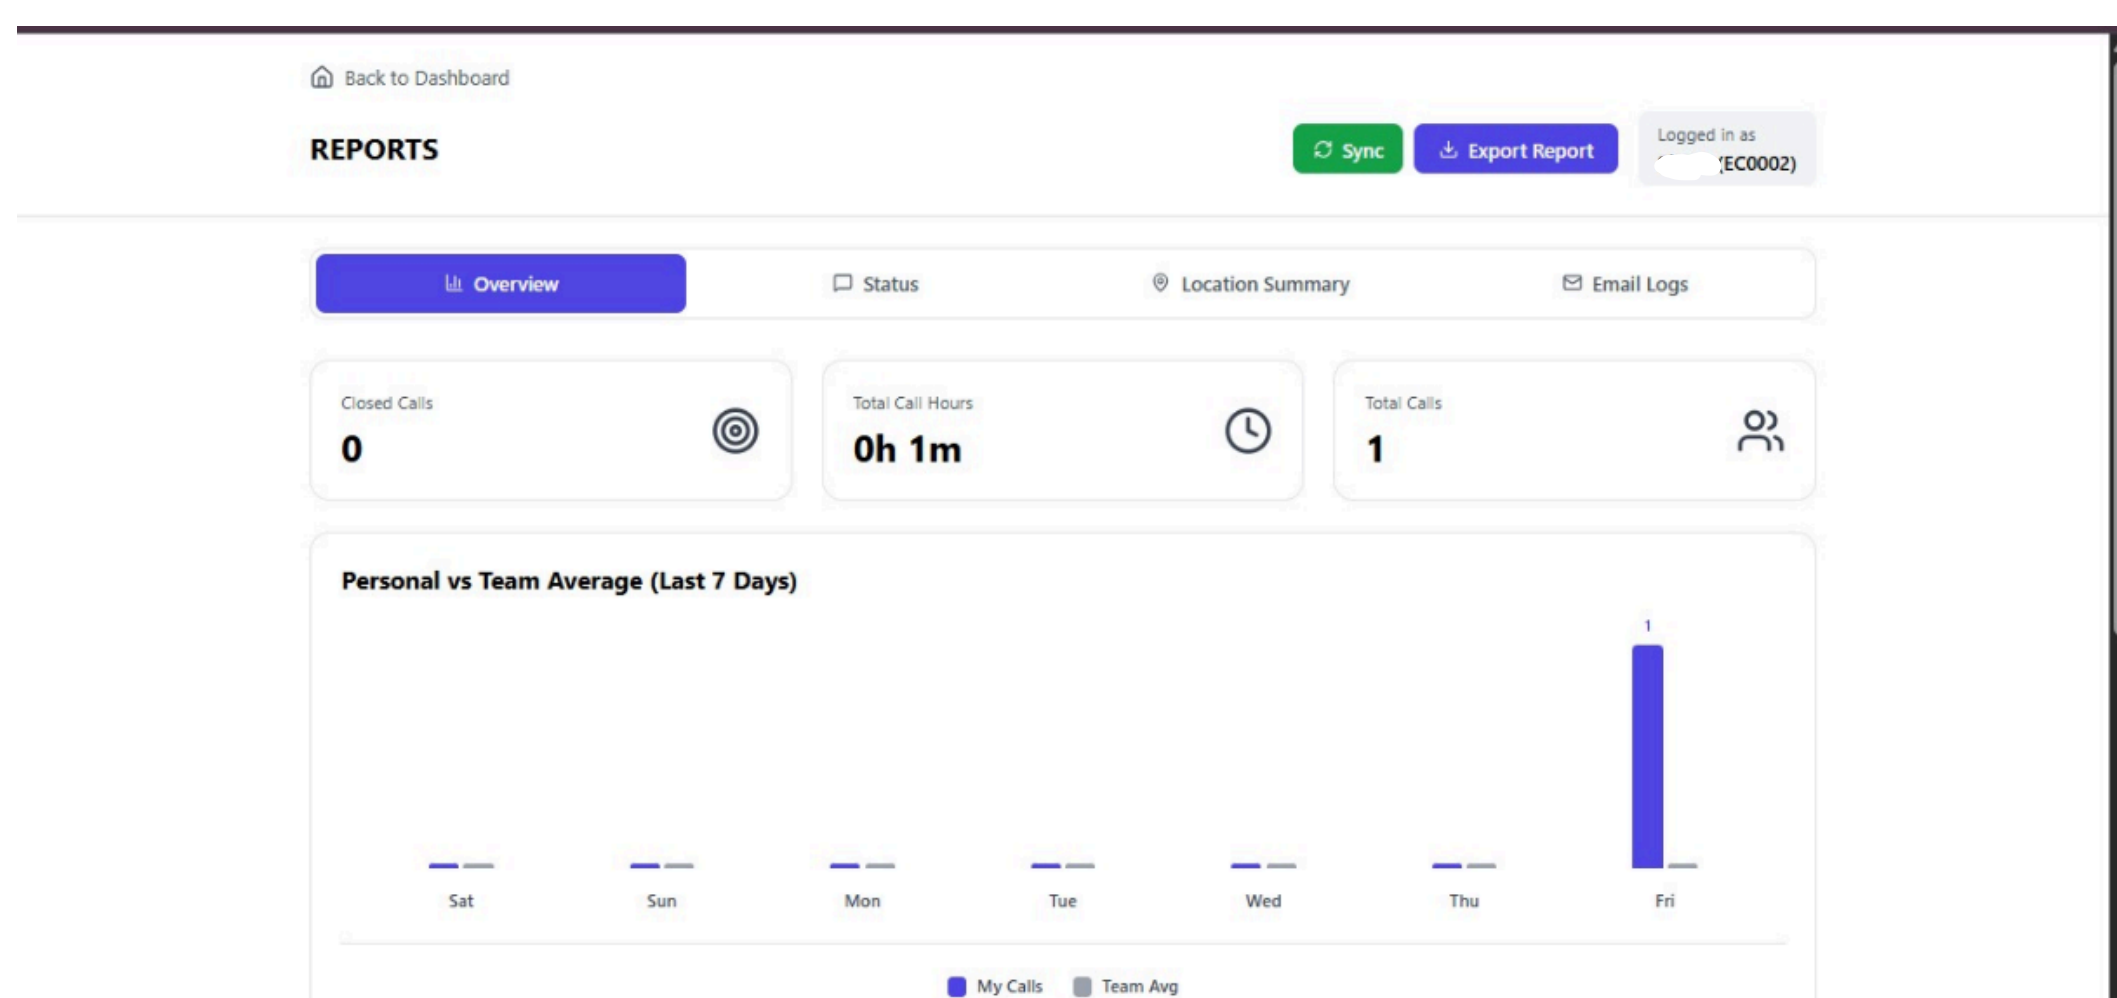

Overview

The Overview tab displays a summary of call activity for the selected date range.

-Displayed Information:

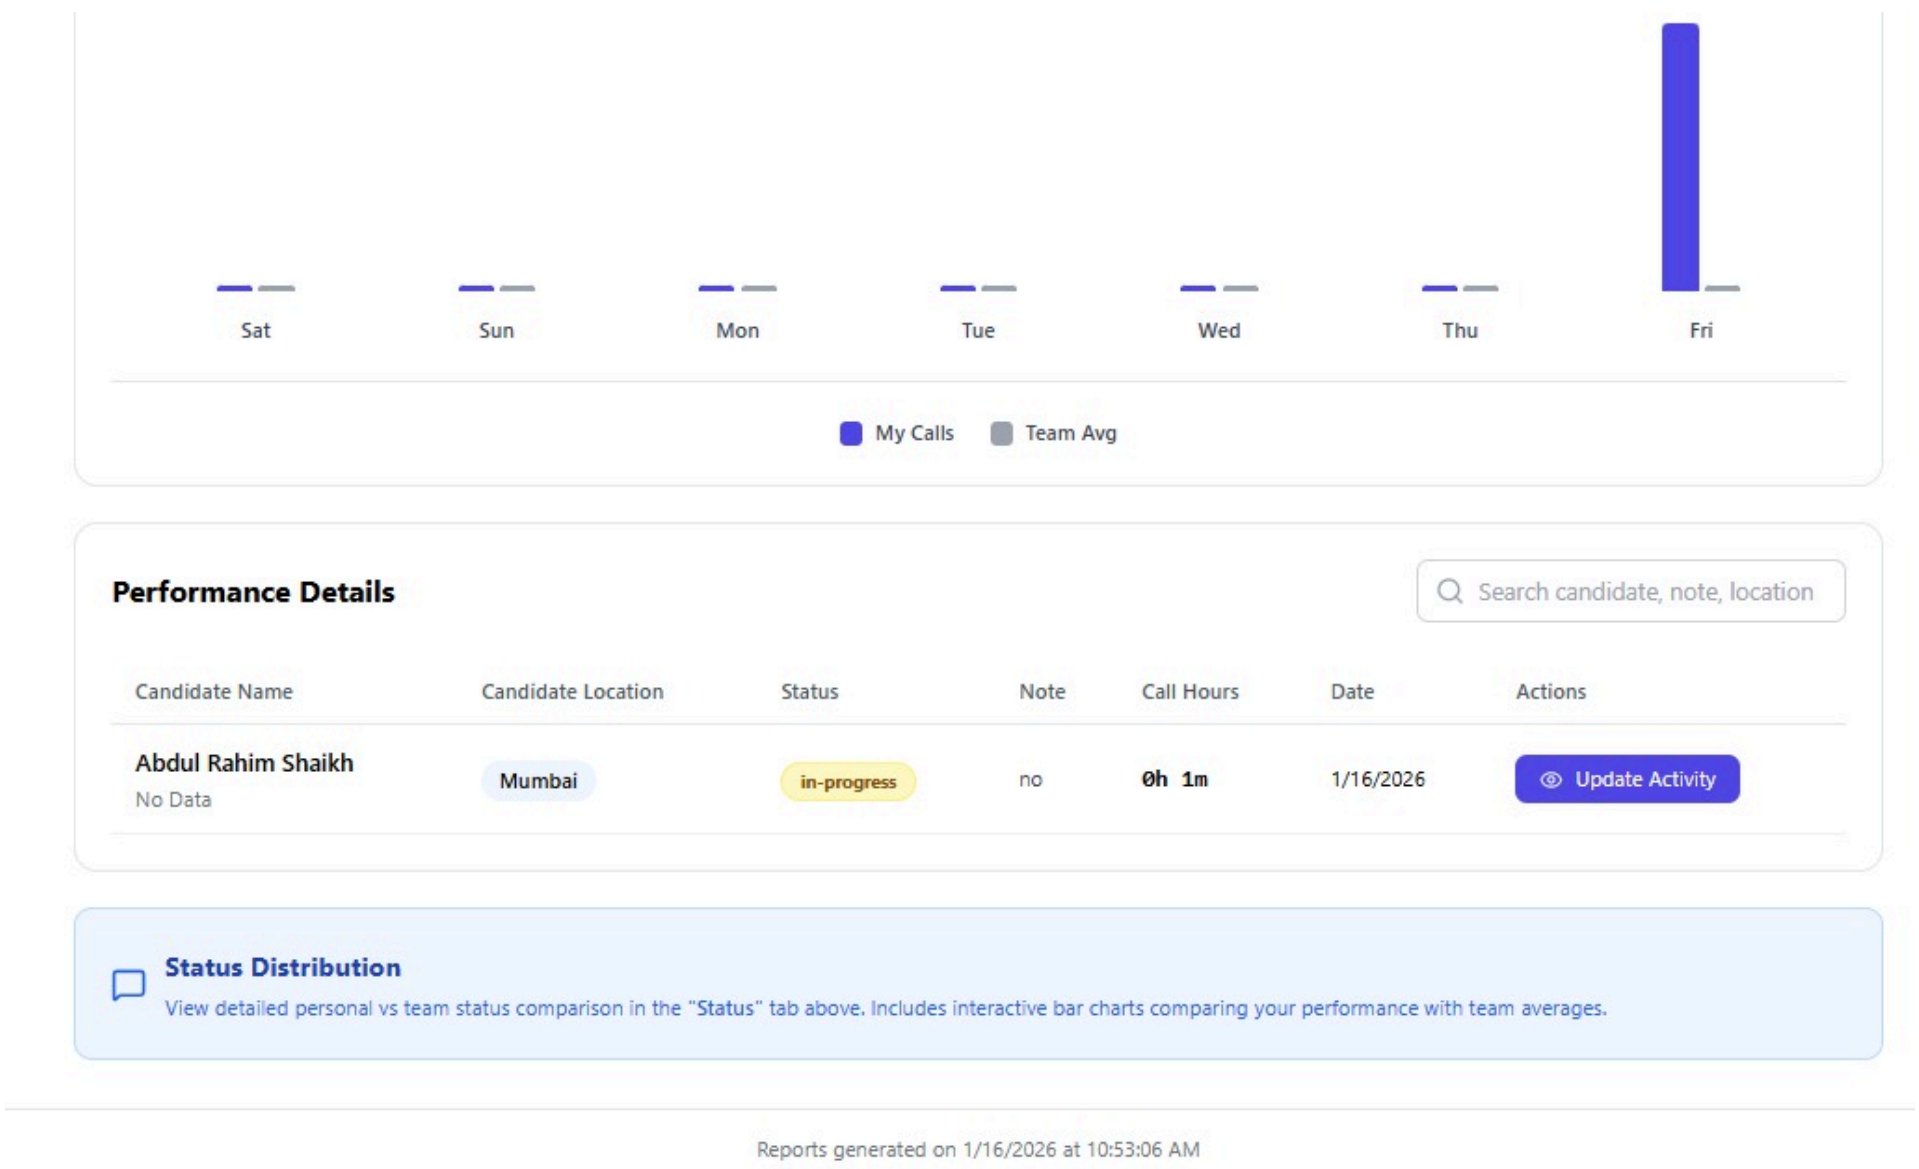

- Closed Calls – Number of calls marked as Closed.
- Total Call Hours – Total time spent talking to candidates.
- Total Calls – Number of calls completed.

-A Personal vs Team Average (Last 7 Days) bar chart is shown comparing the user's call counts against the team average.

-Performance Details Table Includes:

- Candidate Name
- Candidate Location
- Status
- Notes
- Call Hours
- Date
- Update Activity (Action Button)

This tab shows performance of the candidate.

Status

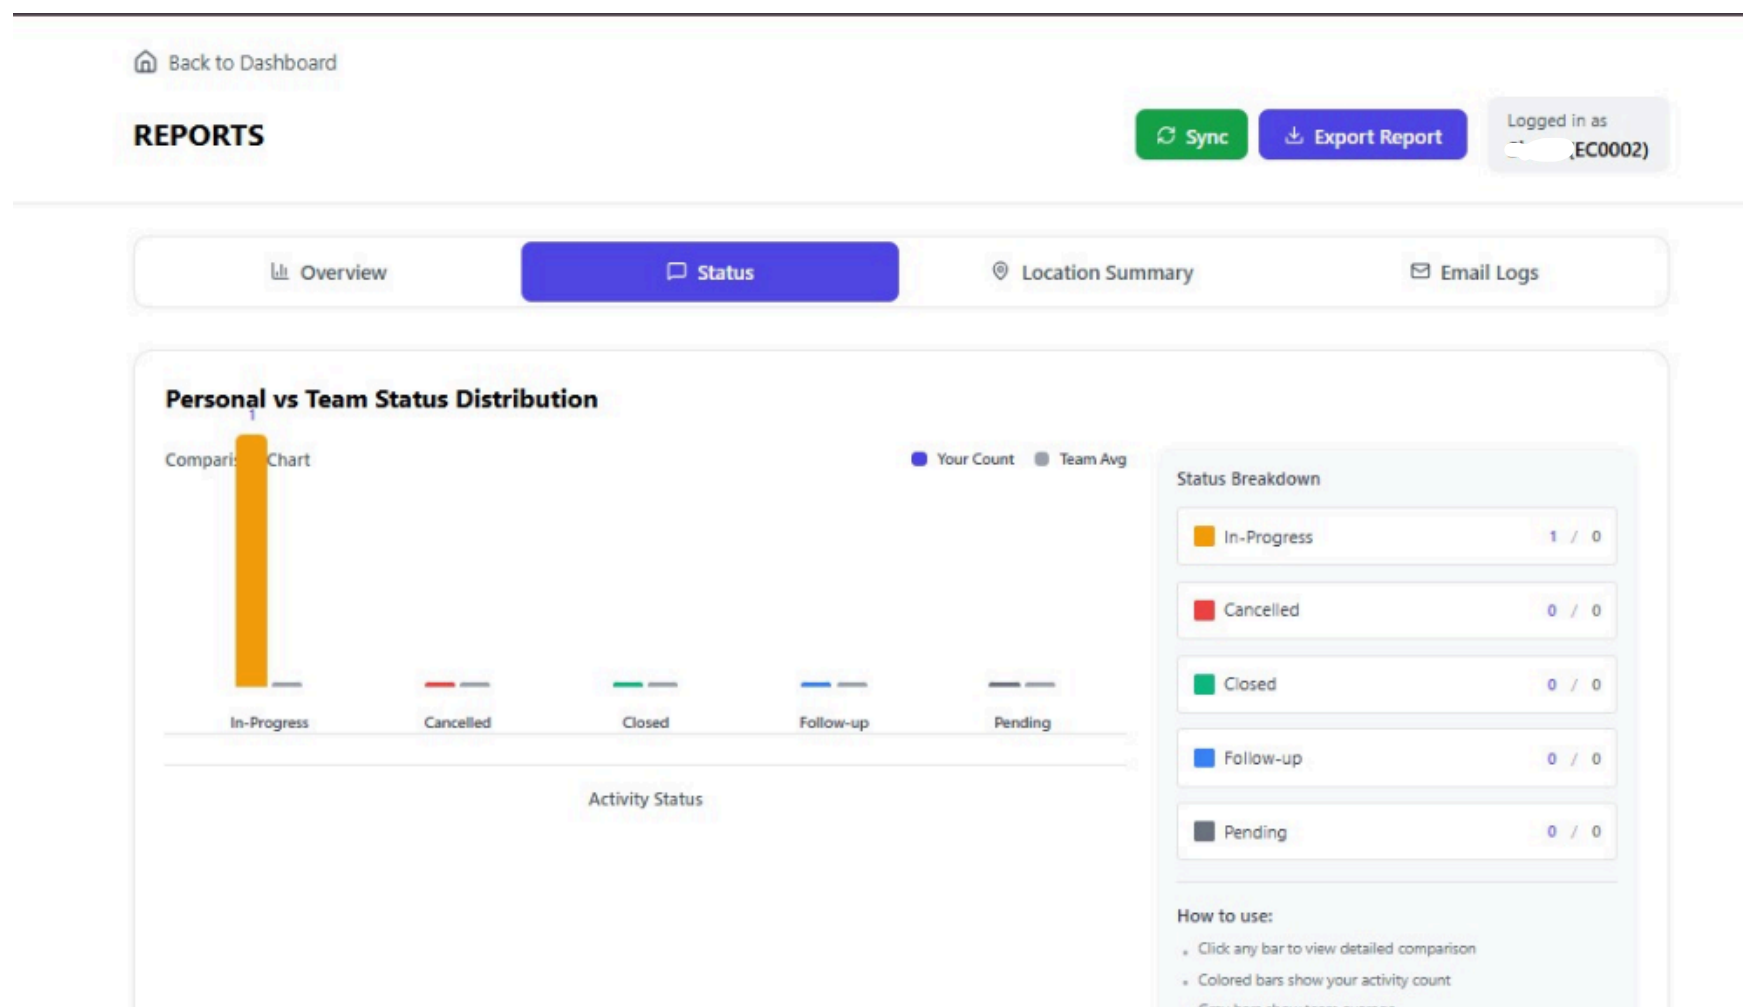

The Status tab shows the distribution of call outcomes.

Status categories include:

- In-Progress
- Cancelled
- Closed

- Follow-up
- Pending

A comparison chart highlights **Your Counts vs Team Average**. A side panel displays numeric breakdowns for each status.

Usage:

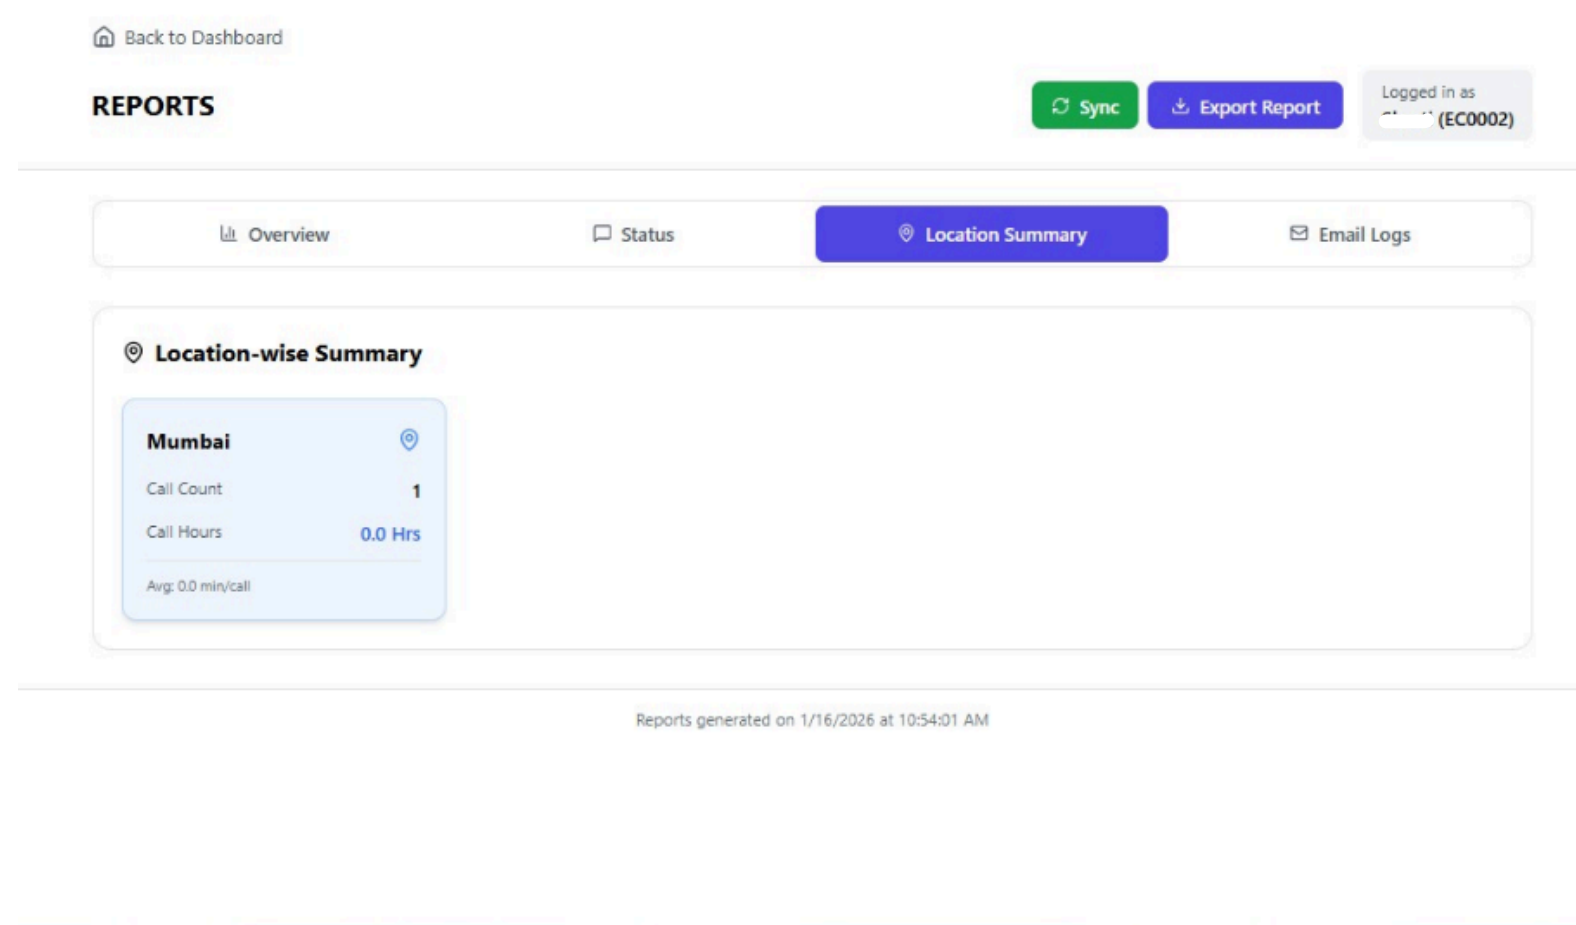

- Click a status bar to view detailed comparisons.
- Use this to evaluate performance and identify pending or in-progress workloads.

Location Summary

The Location Summary tab provides geographic distribution of calls.

For each location, the following metrics are shown:

- Call Count
- Call Hours
- Average Minutes per Call

This helps to understand candidate or lead concentration by region.

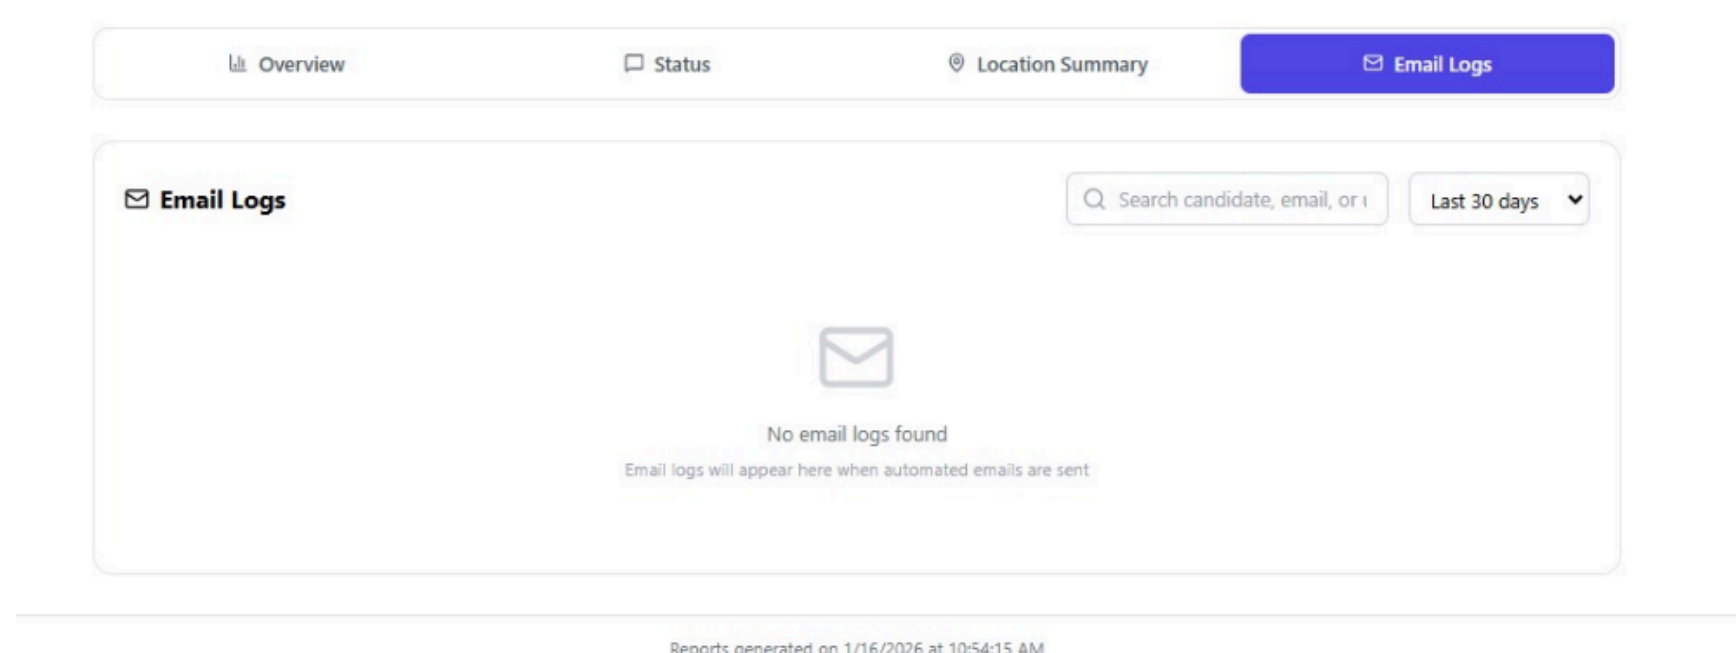

Email Logs

The **Email Logs** tab displays records of automated emails sent through the system.

Features:

- Search by candidate name, email, or keyword.
- Filter logs by predefined date ranges (e.g., Last 30 Days).

If no automated emails have been sent in the selected period, the section will display “ **No email logs found** ” .

*Export & Sync Options

At the top-right corner of the Reports module:

- **Sync** – Refreshes data to get latest statistics.

- **Export Report** – Downloads a formatted report for offline use.

***Report Timestamp**

Each report page shows the **Report Generation Timestamp** at the bottom, confirming when the data was last compiled.

THANK YOU
